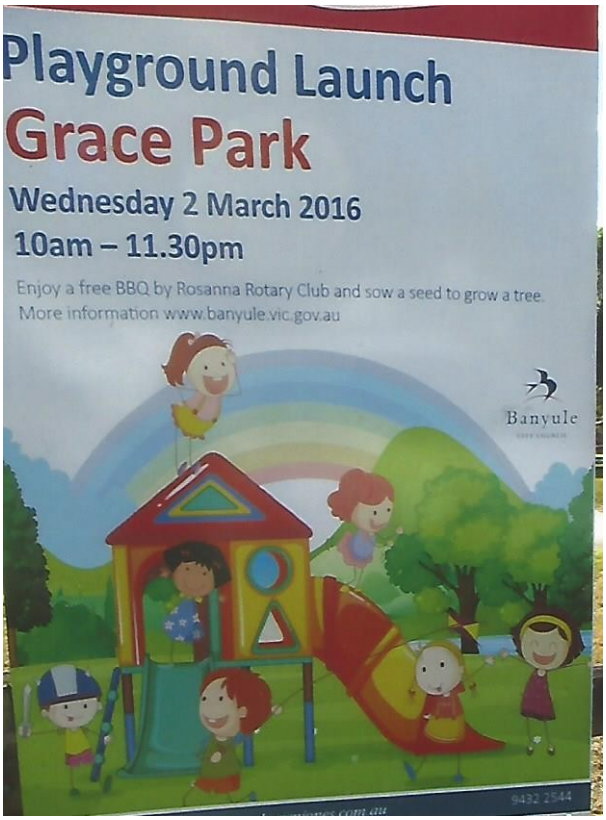
Children gave the new Grace park playground equipment the thumbs up.



Banyule City Council gave the children from Watsonia Heights Primary School and Grace Park Pre-School the opportunity to give their opinion on the newly erected playground equipment at Grace Park (corner of Henry and Louis Street Greensborough on Wednesday March 2 2016.

The Banyule Council staff organised activities so that all the children had an equal opportunity to give their point of view.

Local residents also joined the group, welcoming the newly erected play equipment, commenting that these small playground were invaluable for all communities.

Tony and Willi Van Deek (pictured left) who have lived in the area for the past 40 years are delighted with the up grading of the equipment at Grace Park.

Councillor Mark Di Pasquale (Bakewell Ward) representing the Banyule Council welcomed the all to enjoy the beautiful day and to partake in a sausage sizzle provided by the Rosanna Rotary Club members. (Pictured below).

The children were formed into three groups

1 Testing the playground equipment. 2. Propagation of plants.3.Playing group activities.

They were all supervised by the Banyule City Council staff, who also took notes on the general opinion of the children.

Spokes person for the children thanked the Banyule Council and said that they were all delighted to have their children participate and give their opinion. Grandparent Brian Grace put the final touch on the proceedings by saying that it was important for young and old to enjoy open space such as these little parks where children can play and the seniors can just sit.
