All interested are invited to attend the first ptactice and General Meeting at the Buxton Hall on Monday March 21.

CRICKET.

Unfortunately the Marysville C.C. cannot comete with the Centenary Test and a very poor attendance of players and members gathered at Gallipoli Park on Saturday last.

However those who attended had a most enjoyable afternoon and evening.The most pleasing aspect was the enthusiasm shown by the juniors present.The improvement in their cricket is a tribute to the work put in by Mick Greatorex at Sunday morning practice sessions.

Remember the time Dave Perry ran out of petrol while driving his fuel tanker over the spur?
Last week a lady motorist called into Max Leslie's place and asked for some petrol to get her home as her car had stopped on the Maroondah H'way near the Leslie home.
You've guessed it...the lady driver was.....
Brenda Perry!
