WIRREANDA

If the established pattern is continued, this year's Wirreanda Festival promises to be bigger and better than ever. The traditional features of the Art Show and Gymkhana will be, as usual, well worth seeing.
Previews of the Debutante Ball to be held tonight have shown the great amount of work put in by debs and partners and also by coach Harry 'Barassi' Whitely. Those attending will be fortunate to witness a glittering start to 1977's 'Wirreanda'
No doubt everyone has seen the comprehensive printed brochure about Wirreanda and will find something of interest in the program.
Don't forget to check out 'Anything Goes - Almost' on Saturday afternoon at Galipolli Park.
The Wirreanda Festival sincerely thanks the following donors for the Gymkhana and Wood Chop.

MARYSVILLE SENIOR CITIZENS

We wish to thank our guest speaker Mrs Polderman of Eildon for her interesting talk on 'FLYING OBJECTS' and Gemstones at our meeting last Monday. We all enjoyed the afternoon especially Mavis Hadfield who won the competition - a beautiful Azalea donated by Bill and Rose Walker.

Secondly we regret to announce that our popular member Mrs Eve Lock will be leaving Marysville this Friday to go and live in Rosebud.

At the meeting we said farewell and finished with Auld Lang Syne.

ACCIDENT HINT
When an accident occurs it is helpful to bring any evidence of the force or extent of the injury. It is more important that your doctor or nurse should be told or shown how severe the fall or blow was.
This week a Marysville schoolgirl received a severe foot injury in a bicycle accident. The torn lace-up shoe told its own story of how her foot was twisted and wrenched in the bike.

CRICKET

When will Marysville win?After winning the toss and choosing to bat M'ville once again failed to put a winning score on the baord.Parry and Walsh took the score to 48 before Parry was C&B by Parsons.Walshe followed soon after at 52.Paul Jones and Peter Halliday took the score to 7I before Peter was bowled.Captain Dennis Brown joined Paul Jones and the two took the score to 3/94 at tea.Coonan,bowling a wide every other ball in his first over tempted Jones into a lazy hook shot to have him caught by sub. fieldsman Ray Jones.

A new acquisition to the team,Peter Downes (formerly of Narbethong)joined Dennis Brown and the two figured in a partnership of 38 of which Peter made 2!From 5/I36 wickets fell with the usual Marysville regularity with only last man in Robert Snell making I2 ably assisted by Tony Culhane who once again held his wicket intact for a long time while wickets fell around him.

After Andy Beveridge took a wicket with his first ball,Colts finished the day on I/22.On Sunday M'ville gained an early wicket when Walshe broke through with the score on 33.Ratcliffe broke through for two wickets to have Colts 4/76. A 70 run partnership by Blakeney and Cameron put Colts in a commanding position and the ville's score was passed for the loss of five wickets.
