WELCOME LIONS.

This week-end, from Friday afternoon onwards, Marysville will be visited by about 300 Lions and their Ladies for the Annual District Convention.

District Governor, Jeff Lawrence, will lead proceedings at the Opening Ceremony at Steavenson's Falls. A stage has been erected over the River at the base of the Falls and Ceremonial Proceedings will be conducted from there.

THE FALLS AREA WILL BE CLOSED TO THE PUBLIC FROM 5.0 p.m. ONWARDS TODAY (FRIDAY 23Rd). POLICE WILL SUPERVISE A ROAD BLOCK NEAR VANNIES HOUSE IN FALLS ROAD. Please mention the closure to any visitors you may meet or any friends who plan to visit the Falls.

RESTAURANTS should note that there will probably be quite a few people wanting an early (5.0 p.m. - 6.30 p.m.) Dinner to allow them to catch the buses to the Falls in time for the Opening Ceremony.

VISITING LIONS - if you require a Friday Dinner booking please advise the hostess at the Reception Centre and she will organise a table for you.

CO-OPERATION. The Marysville Lions Club would like to place on record its appreciation for the help which has been given in organising the Convention. Many non Lions Club members of the public have made generous contributions - THANK YOU.

Thanks to El Kanah you received " The Triangle News " as usual last Friday. We were all set to run off the copies on the school machine only to find to our horror the machine was broken. El Kanah confirmed they had a similar machine, so thanks to Graeme Cann and Alan Horne we were able to complete our news sheet on time.

With four annual meetings listed in our news sheet this week, the following should make interesting reading : -

TEN WAYS TO KILL AN ORGANISATION.

1. Don't attend meetings.
2. If you do attend, come late.
3. When you attend sit at the back and talk to the bloke next to you about the weather of the cricket.
4. Never accept office. It's much easier to criticise than to do something.
5. If asked by the President for your opinion on something, just tell him you have nothing whatever to say - and then after the meeting in the corridor, tell everyone how things should have been done.
6. Hold back your subscription as long as you possibly can so as to give the Secretary a bit of un-necessary work.
7. Start a whispering campaign about the finances.
8. Never subscribe to your Bulletin(or news-sheet) This bucks up the Editor and enables him to make constant improvement.
9. Don't bother about getting new members - let someone else do it. After all there are plenty of others who have time for that sort of thing.
10. In short do nothing more than is absolutely necessary - but when other members roll up their sleeves and do the lot, howl like mad about how the organisation is being run by the clique.
