SENIOR CITIZENS

There will be a meeting next Wednesday July 14 in the R.S.L. Hall beginning with a "Soup & Sandwich Lunch" at 12.30 p.m. followed by the general meeting at 2 p.m.

At 3 p.m. we will be shown colored slides of overseas travels until afternoon tea time. Yes,our club is very much alive despite our ages and we really have freindly,interesting and entertaining afternoons at our meetings. By the way,the bus trip to Boronia on June 30 to see the film "The Man From Snowy River" was a great outing - ask any of those who went.

We saw lots of horses but no chain saws.

FOOTY CLUB

The dance held last Saturday was very successful and our thanks go to the Cumberland and Marylands for the fine supper.

The football was not so successful however with all teams losing to Yarra Junction. Several stories have been floating around regarding the future of the Reserves but until an authorised statement from the club either way,all reserve and senior players are expevted at Belgrave at the regular times.

GUESS WHO????

There's a bloke in this town who doesn't give a hoot
As long as his hat's on his head and his feet are in his boots.

You will hear his truck start as he heads for the mill
and hear the gears grate as he heads up the hill.

All is quiet on the C.B. then a voice sings out "Howdy"...
then all the truckies lament.."Struth if it isn't Cloudy.

He loves to stir all the ones in the ranks with his funny stories and practical pranks.

In summer his hair may not show a ringlet
But you will know him at once in his navy blue singlet.

He had a bad leg;went to hospital in the end-he just about sent the whole place round the bend.

He received lots of beautiful cards of expression...
even if they created the wrong impression.

His guard dog "Woofer"though she's not very big
Would lick you to death if you come near the rig.

He went to Tassie for what it cost...
drove round in circles and nearly got lost!

He loves the country;wouldn't live in the city...
For the town's folk up here-more's the pity!!!

He won't wear a watch-for it's time he hates.
I'm sure for his funeral he'd eveb be late.

His wife has our sympathy of course you see-
Imagine trying to keep hot his tea!

So if you see this colorful fellow
don't be afraid to speak as,with old age he's mellowed!

(by a sister who knows him well.)
