However the *simplest* method to access the site using Google, just type in:

moorabbin historical society box cottage museum"

and the MHS site will come up on the first page. (Our website is now listed on both the GECC, and KCC sites.)

Exciting news, following a discussion with John O'Callaghan, (President of the GEHS), that society has *very generously* offered to donate to the MHS one of three re-built computers they expect to receive from an education institution that is up-grading. (It may still be necessary for the MHS to purchase a monitor, printer and keyboard/mouse.)

Mrs Dorothy Booth (a keen activist for the Mentone Railway Gardens), who donated her mother's wedding dress to our society in August, requested to visit 'Box Cottage' on Saturday the 16th October, with her two daughters to see the wedding gown on display. Accordingly the family visited the cottage, and thoroughly enjoyed the afternoon looking over all the exhibits. Dorothy and her family insisted on making a very generous donation of \$40.00 to the MHS. (A letter of thanks has been sent.)

During October, Joan, Leslie, Robina and myself, met at 'Box Cottage', with a view to commencing a catalogue of the library books to conform to standard modern-day practices. "*First the books - next the museum !!!!!!!*" (One thing is for sure it will take a long while to complete the process.) Our thanks go to both Vicki Court, and John O'Callaghan who are providing valuable support during this process.
