VALUE FOR YOUR MONEY

MAV 01230

Following are the (approximate) current prices being paid by agents for collection pieces on behalf of coin collectors. We invite collectors to submit their names, along with the coins, which they require to complete collections. Various calls come to us at different times asking us to verify the worth of a coin. An answer in most cases is impossible, so perhaps some local collectors could advise us in this direction.

PLEASE NOTE: All coins vary in value according to condition.
