Grace Park Golf Club

The annual meeting of the Grace Park Golf Club, Greensborough, was held on Tuesday, April 22. The balance sheet showed that the club is in a satisfactory financial position. After the election of officers for the coming year it was decided to have the fairways harrowed and cleaned up, and to proceed as early as possible with the building of a pavilion. Mr. F. Weaver (president) and Mr. F. George (treasurer) each donated valuable trophies to be competed for by the club members during the season. The opening will take place tomorrow.

Car Out of Control

A car struck a sandy patch near the township during the holidays and got out of control. It ran along the side of a barbed wire fence. One of the passengers who had his hand on the side of the car got his hand caught in the wre. The fleshy part of the thumb of the left hand was so badly cut that he had to be taken to the Melbourne hospital, where he had to wait three hours before he could be attended to.

Tennis Tournament

The annual tournament has exceeded in entries that of any previous year, 194 having been received. Competitions were held during Easter, and the tournament is expected to finish next week.
