CHAIRMAN'S REPORT

Once again there is the opportunity to look back on the Club scene, this time after the first year in our new home, to celebrate our successes and to contemplate what the future may hold.

It has been an exceptional year on the greens with many successes and a few disappointments for both Mens and Women's Pennant sides and the introduction of a winter season plus year-round weekly night games. The Men division 4 Pennant win capped it all off. By any standards it has been the Clubs best season in memory, a result of which all members can be proud.

Membership has been increased though not as much as we may have liked. We have welcomed a number of Level 3 members under the new membership structure. A lot of effort has gone into recruiting and coaching new members. A number of men worked hard for Open Day in December and it attracted a big crowd, we need to sustain this effort.

In both bowling and administration, the past year has confirmed that operating the new club facilities is a demanding task. Voluntary work is the foundation of our system and members not engaged in work programs are simply not pulling their weight.

Well deserved thanks come from all sections of the club to greens director Jim Bennett, Ken Aird and Clive Lang plus helpers and also Greenkeeper Darren Vincent together with his staff for giving us magnificent playing surfaces.

Particular appreciation is due for the gardening by Don Mc Ardle and his crew (the grounds look great, Don), security arranged by Bill Basile with many assistants, cleaners rosters arranged by Don and Val Capper, the bar with various managers, rosters arranged by Mabel Bartling and numerous men and lady bar stewards, Don Strotten cleaning windows, Maurice Heald then Ted Mathews on maintenance. Bob Kellett producing the Newsletter and special thanks to the ongoing efforts (now in their 15th year) of the Bingo Boys, all twelve of them who devote every Monday to the game.

On the social scene, a number of people particularly Peggy Mathews, Mabel Bartling and an encouraging number of new and interested members have attended to dinners, bistros, barbecues etc. Everyone seems to be enjoying the various innovations and the catering quality has never been better.

Special thanks are due to Don Jolley as Sponsorship Officer, his work has brought an impressive number of new sponsors.
