" cash in bank 30-6-35	2-10- 1

£52-15- 5

The expenditure for the year just ended has been the largest since the Infant Welfare was established some years ago. This is largely due to the Committee purchasing furnishings for the building provided by the Council and used exclusively for Infant Welfare work.

The Ladies Committee has done remarkable well to complete the year with a credit balance of £2-10-1.

Yours faithfully

Treasurer.
