RINGWOOD JAYCEES

It is with very great pleasure that Ringwood Jaycees present the Eighth Maroondah Art Show.

During past years our aims in staging this Art Show have been threefold:

1. To raise money for the Maroondah Hospital Building Appeal
2. To foster and encourage an appreciation of art by citizens of our community.
3. To assist and encourage local artists to express their ability.

This year proceeds from the Art Show will be directed to various Local Charities, thus benefiting both younger and older groups.

We sincerely trust that you have enjoyed the show and that you will recommend this show to your many friends as the success of this project rests upon generous public support.

## RINGWOOD JAYCEES are men of action

Projects are the life-blood of the Jaycees. Whatever the project, the Jaycee helps in the forward planning, joins in the implementation. He contributes his ideas, learns organisation and management, develops initiative, ability to lead and work with others. And at the same time makes a tangible contribution to the community in which he lives and works.

Beside their community project activity all Jaycee groups conduct a range of training programmes designed to broaden the knowledge and increase the self development of their members. Courses in effective reading, management training, effective writing, meeting procedure are conducted regularly, while debating and oratory competitions provide another outstanding training opportunity.
