RINGWOOD CARNIVAL COMMITTEE

30th November, 1934.

To/

His Worship the Mayor & Councillors,  
BOROUGH OF RINGWOOD.

Gentlemen,

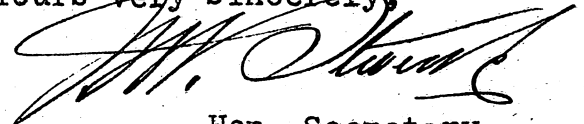

Last Christmas, the Ringwood Traders instituted a Xmas Carnival, which was in every way a decided success. Your Council was good and generous enough to help us in our united efforts, which materially helped us in making the Carnival the success it was. We thank you for your generous help on that occasion, and now that another Carnival is proposed for the coming Christmas, extending from 17th to 25th December, may we hope for the same loyal co-operation and support from you and your Council as that received last year.

Thanking you in anticipation,

I remain,

On behalf of the Traders Association

Yours very sincerely,

Hon. Secretary.
