FREE lunches are available at St Paul's Anglican Church, Ringwood, every Monday.

Home-made soup and fresh bread rolls are available from 12 noon to 2pm.

The Reverend Maureen Beattie said the service was in response to area demand.

"Several other churches in the area provide a similar service and we just thought it was time we got involved," she said.

The service began in June but response had been minimal, Rev Beattie said.

As the service gains in popularity casseroles could be added to the menu.
