FOR YOUR INFORMATION

In the interests of water safety, Council has adopted the following guidelines:

- Training aids which include non-inflatable kickboards, are permitted in both indoor and outdoor pools, provided they are correctly used and the pool is not too crowded for such use.
- Inflatable swimming aids, because of the danger of deflation, are not permitted in the Centre, as they could leave children in deep water without means of support.
- Swimming aids not labelled 'Lifesaving' device by the Standards Association of Australia are not permitted to be used.

RINGWOOD AQUATIC CENTRE

Ringwood Aquatic Centre gives you Melbourne's best facilities for aquatic activities. There is a full olympic-sized pool, complete with outstanding diving facilities.

You can work out with strenuous aquatic activities or relax in more leisurely pursuits.

There's recreational and fitness swimming, water aerobics, swimming lessons, school classes, Vicswim Learn to Swim programmes, Fabulous Fifties and Bronze Medallion classes. You will find regular training for water polo, diving, scuba diving, triathlon and synchronised swimming clubs.

And of course, after that you can work out or just relax in the spa and sauna.

So whether you want to take a little gentle exercise or relax in the spa, join a group or watch the children:

COME FOR A
SWIM

IN RINGWOOD'S OLYMPIC HEATED POOL
