

NEW**THEATRE****"POLLING DAZE"**

Yes, you'll think all your "booth" days have come at once when you see N.T.'s newest election Revue "Polling Daze."

Although we admit it may not be such a perfect farce as Canberra's "Follies," we promise you your full vote's value, as we have treading the boards the finest bunch of politicians money can buy.

Come along and let N.T. show to you, through Song, Dance and Sketch, just how Polly-ticks.

See how our politicians do their job, week in week out, weak all over.
