N E W S L . E T T E R .

NO. 31.

8th October, 1987.

PRINCIPAL'S LETTER.

Last week-end the school was broken into by burglars who succeeded in stealing two cassette tape recorders, among a number of other small items.

To help the police in their investigations many descriptions of children seen about the school during the week-end have been passed on for further investigation.

However, I believe that further vital leads might be obtained from observant parents or neighbours who may have noticed a change in fortune amongst locals who suddenly appear to have acquired a small Sanyo cassette tape recorder/radio, clearly inscribed Southwood P.S.

Any additional information will be gratefully received and forwarded to the police, in the hope we may solve the mystery.

(B. J. May)  
Principal.

CANTEEN ROSTER.

Whew, you did have me worried this time, as I thought that no one was going to help us out on Friday, 10th October.

However, once more to the rescue came a couple of mothers, and our thanks to them, as now the canteen will be able to operate as normal on that day.

## PRINCIPAL'S LETTER:

My guest writer last week was Michael Hansen, one of our Prep. authors who kindly wrote the leading article of the Southwood News. As you have already learnt, Michael likes school and especially the ("3") free time.

Much of the written and oral language at Southwood is based upon children's experiences and an acceptance of their individual stages of learning development.

Modern educational research tells us of distinguishable steps in learning to write, which occur over a number of years.

Inventive spelling is part of the process. The inventiveness and ingenuity of the children in putting their thoughts, with great enthusiasm, on paper, constantly amazes and delights me.

It is vital, I believe, for us all to take special care to encourage and praise our children, particularly in this complex area of learning.

(B. J. May)  
Principal.

## DISTRICT SPORTS.

Last Tuesday, Patrick Durkin and Anthony Bradly represented Warrandyte & District Sports Association at the Eastern Metropolitan inter-district sports day held at Doncaster.

## PRINCIPAL'S LETTER.

During last week-end the school canteen was broken into on two occasions. The damage to screens, locks and windows amounted to approximately \$300.00.

Fortunately, the alarm system prevented any goods or equipment being stolen. Investigations are presently being carried out by the Ringwood Police, who would appreciate any information which may lead to the conviction of the offenders.

Should anybody have observed suspicious characters about school grounds on the week-end or have overheard any details of the burglary in the neighbourhood, the Police would be grateful for your assistance. A phone call to the school maybe the simplest approach.

## SCHOOL STAFF.

A number of staff changes are likely in 1988, however, only one teacher has received confirmation of an appointment to date.

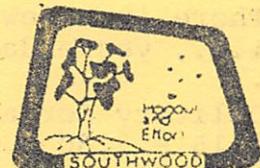

My congratulations to Mrs. Guthrie, Grade teacher 1987, and a valued member of staff at Southwood for seven years.

Mrs. Guthrie has received an appointment to Heatherdale next year.

At the Southwood Primary School Council Meeting on Wednesday, 11th November two important draft school policy documents were tabled, discussed and prepared for circulation to all parents in our school community. Consequently a copy of the proposed Southwood School Uniform Policy is attached to the Newsletter today.

Considerable effort by the Southwood Parents' Club to survey families at the school recently about this has been the basis of preparing this statement for presentation and ratification by School Council.

In addition, I will be sending home a discussion paper setting out our proposed Student Welfare and Discipline Policy next week.

I look forward to hearing from anybody who desires to comment on any matter or wishes to clarify an issue. Please ring me anytime without hesitation.

## PRINCIPAL'S LETTER:

The suggestion from the Parents' Club that the school concert be held in the A. D. Alexander Hall this year has certainly aroused much discussion. Thanks to the President, Mrs. P. Spencer, the questionnaire forwarded to all families last week proved to be an excellent means of testing the community's feelings on this issue.

Sixty one responses were received, with some excellent comments, which I think should be considered in our future planning. Clearly, the majority of parents who returned the questionnaire are in favor of the quadrangle as the venue for the concert this year.

I have some concern about the hall accommodating three hundred or more adults plus children, who indicated their intention of attending, constraints on stage space for some grade presentations and the availability of a piano on the Hall's stage.

After considering these factors, I am convinced that the most practical, although not necessarily the most comfortable venue is the quadrangle. Therefore, the status quo remains, however, I would urge parents and teachers to plan together early in 1988 to make the best decision about the event's location and format in future years.

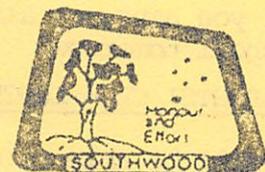

The Fun House Sports Day postponed to Monday, 7th December, will commence at 1.30 p.m. All parents are cordially invited to attend, weather permitting.

## PRINCIPAL'S LETTER:

### EDUCATION EXPENSE ALLOWANCE.

Yesterday I received a letter from Mr. Laurie McArthur, M.L.C., Nunawading Province, explaining details of the State Government's Education Expense Allowance.

This is an allowance provided for in recent State Budget and will be of importance to many families at Southwood.

The Education Expense Allowance of \$60,00 per child for each child between the ages of five and fifteen is available to all families where the parents' combined income is less than \$50,000, plus \$2,500 for each additional child after the first.

The Victorian Government has arranged with the Department of Social Security for the allowance to be paid on or about the 23rd February, 1988. This grant will be added to the family allowance and paid into bank accounts or by cheque.

This special allowance is to assist families to meet, at the beginning of the school year, the expenses associated with school attendance.

## PRINCIPAL'S LETTER.

I took the opportunity to look through last year's Newsletter of December 17th, and I note the following paragraph -

"We were indeed fortunate to have such a delightful evening for the twilight concert on Monday, particularly with so many days of late being miserable and wet".

A most appropriate comment, particularly the reference to the weather.

We were all delighted by the children's performances and the excellent turn out of families.

Last Monday, the Grade 6 children were treated to a beautifully prepared luncheon provided by the Parents' Club, followed by annual presentations and awards. My thanks and appreciation to Mrs. P. Spencer and her many helpers who worked so hard to ensure this was a fitting occasion to farewell Grade Six, Mr. Ogilvie and Mrs. Guthrie.

The results of the house captain elections for 1988 proved to be a close contest among candidates.

Congratulations to the '88 House Captains who have a very high standard to maintain and excellent role models from the current year.

DON'T FORGET - CANTEEN WILL OPEN ON MONDAY 21ST DECEMBER - but that will be the last day for this year. First Canteen Day of 1988 is Wednesday, 10th February, when Mr. North and Mrs. Zanoni will be our helpers of the day.
