district with teams competing in the EMRLTA competitions (Saturday morning Junior and Saturday afternoon Senior) in the Ringwood and District Night Tennis Competition. Our mid-week Ladies also compete in the Ferntree Gully and District Tennis Association.

The Tennis Club with a present membership of 313 provides tennis facilities to both the ardent competitive player and members seeking only social tennis with professional coaching for Juniors. The Club prides itself on catering for the whole family. The Club has always stressed the importance of Family membership and its responsibility to the three Parishes to provide a Christian and atmosphere for everyone to enjoy.

The high standard is being maintained by the present Committee and the future of the Club is assured for many years to come.

OUR LADY'S CALISTHENIC CLUB

Our Tenth Annual Concert will be held at Norwood High School, on Friday, November 10th commencing at 7.30 pm.

Admission: Adults \$1.00; children 50 cents. All welcome.

2nd RINGWOOD (OUR LADY'S) SCOUT GROUP

At present the group has a membership of 42 (24 cubs and 18 scouts). This year we obtained the services of Miss K. Schulz as an assistant cub leader, and Mr. John Burdeu, Keith Eyssens, Patrick Mahoney as assistant scout leaders.

ANNUAL REPORT

The year has been a successful one financially, the main fund raiser being the demolition of the old convent in Bedford Road for which the Group successfully tendered. A progressive dinner was held in April and a "Men's Night" in July.

On 13th September the group celebrated their Silver Jubilee with a ceremony in the Scout Hall in Patterson Street. Father Fagan celebrated Mass and a Going Up ceremony was held with four of the Cubs going up to the scouts. The following Sunday a family barbecue day was held at Jells Reserve in Glen Waverley. Then on the weekend of 22nd, 23rd and 24th September, cubs and scouts went on a camp to Walhalla. Proceeds from a bottle drive held in August helped to finance this trip.

The plans for the proposed extension to the Scout Hall have been drawn up and it is hoped that work will

start in the near future as soon as these are approved by the Railways, Health Department and Ringwood Council.

As the building is Parish property, and available for hire by other groups and organisations, it is worthy of note that upon completion of the extensions the hall would appear to be the only one in the Parish with indoor kitchen and toilet facilities.

OUR LADY'S MOTHER'S CLUB
