RAILWAYS: stating that it is felt by the Union that the considerable public
E/8/9 outcry at the development of juvenile delinquency, particularly
in cases which have involved physical assault on peaceful members
of the Community, is due to the fact that railway stations have
been unattended at night. As some of the incidents which
occurred involved railway staff, or took place on unattended
railway stations, this would be an appropriate time for strong
representations to be made to the Acting Minister of Transport.
It is felt that unattended railway stations at night are a
menace both to the railway staff and to railway users, and it
is requested that the Council give strong support on this matter
of a deputation to the Acting Minister of Transport which the
Union hopes to arrange in the near future. It would be

THAT as the services of Mr.G.E.Johnston have been satisfactory, his appointment as Accountant be confirmed and he be regraded to Accountant, Grade "E" at a salary in accordance with the provisions of the Municipal Officers(Victoria) Award 1959, and resolution of the Council of the 14th September, 1961.
2. A/15/2 (5)

5. A/15/2 (8)
THAT the Secretary, Melbourne and Metropolitan Board of Works be informed in respect of Application No.27873 by Messrs Oliver and Adamson on behalf of Mrs.N.P.Cheevers, to use land situate corner Maroondah Highway/Beaufort Road, for "Restricted Business" purposes, the Council does not support the application in its present form as the layout is unattractive, particularly with Lots 15, 16, 17 and 18 in front of the main centre, and as the plan submitted does not show how car parking could be provided for 40 cars on the Service Station site, it could be difficult to provide satisfactory access. The Council, however, would be prepared to consider a further proposal with car parking provisions on the basis of 4 cars per shop, parking bays and access lanes to be shown, and Lots 15, 16, 17 and 18 being re-sited to provide a more attractive layout.

THAT the President, Ringwood Chess Club be informed the Council regrets it has no funds available at the present time to permit Clubrooms to be erected on portion of Bedford Park for joint use by the Ringwood Chess Club and the Ringwood Small Bore Rifle Club, and it is most unlikely that funds will be available in the foreseeable future because of the difficulty of obtaining loan money for such purposes.

The Council is of the opinion that the proposed type of business should be established in premises where adequate off-street parking is provided. The Totalizator Agency Board to be also informed accordingly.
