The sternest, most consistent,
considerate, crawling,
conniving, low down,
ingratiating, hungry (hence
the lunches) perverted

V.P. in town.

Dear Sly eye,

Although we only had the displeasure of working with you for a short time it became obvious early that you took sly bites from kids lunches and therefore obviously could not be trusted. It was also obvious that you kept the dividing door between yours and A.B.'s office open so you could covet his view and responsibilities.

The unjustified work of questionable character that you load on the office at short notice is resented and at times we have considered returning it to you - but instead have merely filed it in the circular receptacle.

We have forewarned the office at Boronia Technical School of your short temper, ill mannered demeanour and unreasonable demands. We have also advised them to bring a potty in to put under their desks as the ladies toilet is opposite your office.

It is a relief to us that you are leaving so you can eat the pav yourself - we hope it chokes you.

Yours in delight,

The Office Staff of
Ringwood Technical School.

To Dear,

Mr Knox.

Do you think you could find sometime to get these people together and discuss to you something people could do in winter instead of getting sopping wet. The days we wish you could make available are;

MON

WED

FRI

LUNCHTIMES.

1.	ROBERT FISKEN	9.6	INCHARGE OF RECORDS.
2.	ALAN FLINT	9.1	INCHARGE OF RECORDS.
3.	WILLIAM WALE	9.5	HELPING US.
4.	RUTH ROWE	9.8	DANCING.
5.	LEAH ARTS	9.8	DANCING.

We have tried a similar thing in the past and found it unsuccessful. All of us have been trying to find a teacher but that failed too. We are having another go at it and hope you can help us find a teacher who will be able to control the students that will move into the hall. You may remember that incident which happened in the hall a couple of months ago, well we would like that never to happen again just as I hope you would, nt.

Below is what all of us would like to bring to your attention.

1. Teacher = Not Known.
2. Times = 12.45 to 1.25, 12.50 to 1.25, 12.50 to 1.25.
3. Days = Monday Wednesday Friday.
4. Dancing takes place = Hall.

P.S. Thank you very much for taking your time to read this letter.

From all of us..

6th March, 1985.

Dear Member of Council,

Please find enclosed a copy of the minutes of the meeting of the Ringwood Technical School Council held on the 13th February, 1985.

The next meeting of Council on Wednesday 13th March will be rather special in two ways. Firstly there is the dinner starting at 5.00 p.m. to honour Margaret Sparkes twenty years of service as Registrar and secondly the actual meeting of Council will be the last prior to the annual council elections.

I have included with this note a copy of the information that has been forwarded to parents relative to the elections.

At this moment the agenda for council does not look very large at all - in fact small - however a week in schools' is a long time these days.

Looking forward to your company on this very special evening.

Yours faithfully,

B.K. KNOX.
Secretary.
