"FIDELIS"

(THE NORWOOD HIGH SCHOOL SONG)

Words by J. A. Gibson

Music by A. W. Martin

Now lift we our hearts and our voices together,
Joining in praise of our school on the hill;
Home of our youth and the source of our learning,
Wherever we go we'll remember her still.

Our emblem the compass to guide us straight onwards
Till dreams become real and our goals we attain;
With honour and wisdom our courses pursuing
Fidelis, be faithful! we'll shout the refrain.

Purple of distant hills, gold of the wattle,
These royal colours inspire us each day.
With Yarra and Mullum, Maroondah, Kalinda,
We'll each do our utmost at work or at play.

So here's to our school, may she grow ever stronger,
Gaining from each, since she's given to all;
May she always be proud of her sons and her daughters
Who'll be loyal to her teaching whate'er may befall.

CHORUS: Constant and True.
In all we do
Norwood expects it
Constant and True.
