MISS ROBYN SPARKS,
YUNCKEN & YUNCKEN,
271 WILLIAM STREET,
MELBOURNE, VIC. 3000.

Dear Miss Sparks,

Thank you for your letter of May 20
and for enclosing a copy of our uncle's Will and First
Codicil.

We read both documents with interest and
appreciate your earlier assistance with allowing us to
take home some personal photographs and documents which
are relevant to completing the Wieland family history.

As mentioned earlier we would like if possible to
retain a link with the early Wieland family by
obtaining the small table, which was situated in the
lounge and has been in the family for many years.

I know we did mention the piano which would be
most useful in our family, but the cost may be
prohibitive.

Your job is not an easy one and we will respect
your judgement on our requests. Would you please keep
us informed of developments regarding the Estate, and
the date that the house is to be put up for sale.

Kind Regards,

Pat and Don Talbot
