## PRESIDENTS REPORT

Congratulations to all those Clubs who won premierships in 1988. The final series in most grades were very evenly contested and gave the crowds plenty of excitement and displays of excellent football. A special mention must be made of the achievements of the Lilydale Football Club, who after a tremendous season took out the big one and now move into Third Division.

The E.D.F.L. showed its strength in metropolitan football by winning the V.F.L. Senior Grade Championship and completed the double with the Under 16's winning the Caltex Cup for the fourth consecutive year. To the players, coaches, officials and supporters the League offers its congratulations and best wishes for the future.

Overall the League has had a fairly successful year, the finances remain sound, thankfully fines have decreased but marketing will need to improve if administrative charges to the Clubs are not to increase. The League has now grown to thirty nine senior clubs and should provide a much better competition in Fourth Division. A big welcome is extended to the Knox and Noble Park Bears Football Clubs. It is hoped that a further club will enter the League by 1990.

To the many people who have assisted the League in 1988 my sincere thanks and I hope we can continue to receive your assistance in future years.

With the large number of grounds required for our final series there is always a problem in obtaining those with a good playing surface and the required facilities for both players and spectators. This arises every year, especially as the grounds must be selected in June to enable the host clubs to obtain the required permits and arrange for catering and other services. This year all grounds were in good condition when allocated and with one exception stood up well during the finals. Overall, the grounds and club facilities have been greatly improved over the past few years and the League thanks the Clubs and respective Councils concerned for their efforts in improving the standards within the League.

Our thanks are also extended to the V.F.L. and V.M.F.L. for their continuing support of local football and for the financial assistance given to Clubs and this League.

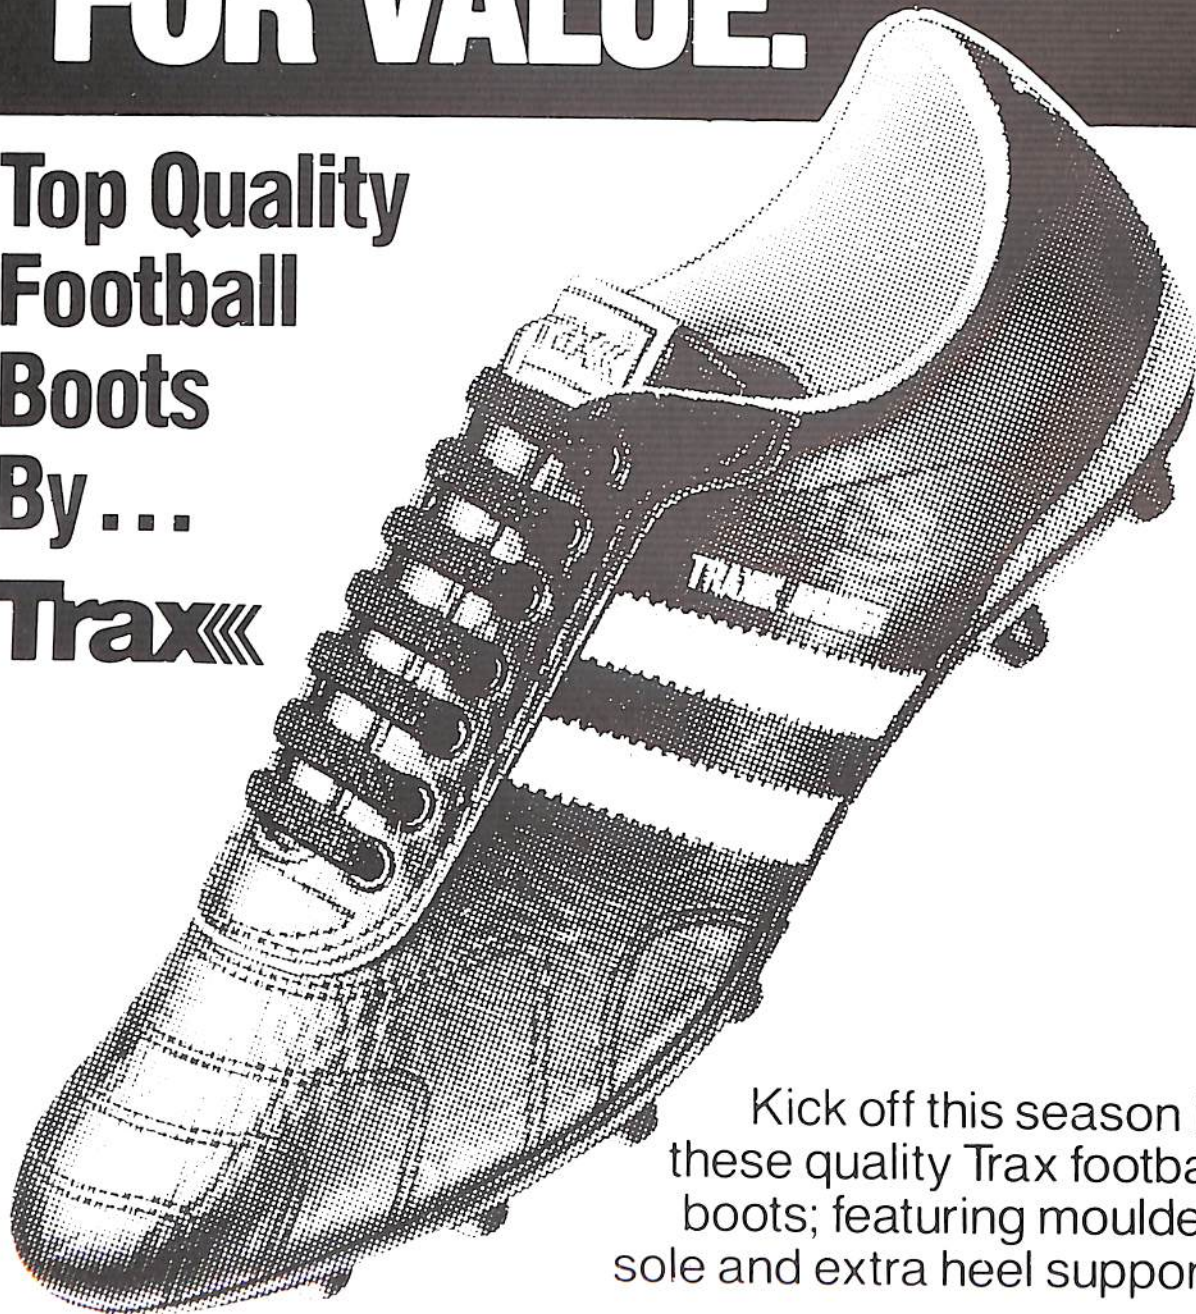

Those who attended the Leagues Presentation Night would be well aware of the many excellent trophies donated by the large number of sponsors and trophy donors of the League. We very much appreciate their continuing support as do the winners of the awards.

To all Clubs, best wishes for Season 1989.

## LEAGUE MANAGERS REPORT

As peace and tranquillity descends upon the office at the end of the season and one can sit back and soak up the summer sun, it allows us to reflect upon the 1988 season and ponder on those issues that are necessary to ensure the long term policies and continuance of our League.

The E.D.F.L.'s future is quite stable despite what other persons outside the League are claiming and attempting to achieve. Our four divisions are operating successfully. The League's finances are sound, its policies are committed with the proviso that the League is prepared to change those policies to suit the environment at any given time.

Computerising the League's register of all players, the umpires fees and the ladder system proved to be a huge benefit for the League. Whilst it took some time to be completely confident in the use of the computer, it no doubt will enhance the League's ability to service its clubs.

We are in a diminishing market with clubs and leagues struggling to maintain themselves. In the E.D.F.L. the problem is not quite as precise as in other leagues. None the less it is important for all clubs to stick together and determine their future as they see it which it is important for us all.

The establishment of a new body in this area is not needed and will only cause unrest in what is essentially a stable and successful operating area.

The establishment of the junior committee with its terms of reference was a major benefit for the League. The alteration of the Under 16 competition to Sunday proved to be indeed highly successful and clubs appreciated the Under 16's being grouped with the other junior sides. The junior committee was instrumental in having the Victorian Football Development Foundation adopt the job specifications for their development officers as determined by the E.D.F.L. The junior committee have met regularly to discuss those matters important to junior football and are open to any suggestions that may assist them in the performance of their duties.

The outstanding success of the E.D.F.L. Senior Grade Squad in the 1988 V.F.L. senior grade championships was an enjoyable experience. A new approach to the players by the officials provided the impetus on which the success was built. Our win against the strong combination of the Diamond Valley was impressive as it was only the last ten minutes of that game that determined the result. Our congratulations are extended to the following for their diligence in assisting the League to secure the title of V.F.L. Champions in 1988.

Coach - Bruce Tempany  
Chairman and E.D.F.L. Vice President - Rod Burgess  
Selectors - George Gislingham and Alan Barr  
Team Managers - John Bigelow and Case Gysberts  
Runner - Daryl Cooper

And our loyal band of trainers whose assistance should not go unacknowledged.

Our sensational players who not only enjoyed themselves but became a close knit bunch and proceeded to represent your League with distinction through their commitment.

It is difficult to advise in a few short words the success of the Under 16's in the 1988 Championships. After having won the previous three championships this one was spectacular in the fact that the final was probably won on the Saturday in the semi-final against the strong and powerful combination of the Doncaster & District Junior Football League. To see our kids climb off the floor when they were about to take the ten count and bounce back and win the game by seven points had to be seen to be believed, commitment at its best.

Our congratulations are extended to the following for their outstanding assistance to the League and to the fine bunch of Under 16 players.

Coach - Noel Bosch

Selectors - Bruce Kerr, Wayne Reddaway and Michael Gooden

Runner - Don McBain

Team Manager - Wayne Reddaway

Trainers - Brian Day and Keith Potter

And of course our loyal band of Under 16 players who just wanted to participate for themselves.

There are those who criticise the League's junior policies, however with our junior element currently, those criticisms, in my opinion, are totally unfounded.

Our umpiring fraternity this year was the most enjoyable yet. The securing of Greg Sidebottom as Director of Umpiring was indeed a "coup" for our League. Greg brought to the League and the umpiring fraternity an attitude of professionalism but above all, a smile and a determined wish that all umpires enjoy themselves with their involvement with football. It worked well as it was apparent that the majority were gaining under Greg's skill as Director. Our congratulations are extended to Greg, Secretary - John Eastwood, Rod Makin, Bernie Fewster, their observers and to our umpires for their performance during the year.

The League's prestigious Under 14 Lightning Premiership - Essendon Nubrik Cup has gained in stature and we extend our sincere appreciation to the Nubrik Company for their continued support for the development of youth and the Essendon Football Club for their interest in the Eastern Districts Football League.

Our finals this year were financially disastrous due to the poor weather conditions at the time, however, it should also be remembered that costs are increasing rapidly. Venues were in most cases very good with facilities being at their optimum. Because we live in a rain belt area it is difficult for us to ensure the grounds that are selected are kept dry. The only way we, as a League, can ensure that grounds are in good condition is to have tendering clubs consider changing their venue or transferring to the second oval if they have one. The League will always endeavour to discuss items such as these with the respective Councils and Shires.

No doubt litigation brought by clubs against their various leagues in 1988 created serious problems for Australian Rules Football. It appears that enjoyment and fun in football is no longer the primary interest, but total success by winning and only that. The V.M.F.L., E.D.F.L., V.F.A., V.A.F.A. and S.E.S.F.L. will adapt themselves to the changing environment, however if legal interpretation is what clubs

want then so be it. It has become a sad day for football.

Currently, in association with the V.M.F.L. and our legal representatives, discussions are being conducted to uniform all leagues and associations with standard rules in order that players and officials alike will not be confused with rules that are diametrically opposed.

At the time of compiling this report the Victorian Football Development Foundation have interviewed, selected and appointed their field Officers to their various areas. The officer appointed to our area is scheduled to be commissioned on February 6th.

The major projects for the officer is to increase the Vic Kick program in the schools and to assist the local clubs in the recruitment of junior players and coaches through to various programs that the field officer will undertake. It is important for us as a League and clubs to support This officer in the performance of his duties as he will become a major benefit to this League.

I would like to record my personal thanks and appreciation to my assistant Kathy Grover, whose dedication to the performance of her duties should not only be acknowledged but applauded.

Kathy's quick adaptation to the responsibilities in her new role in 1988 will hold her in good stead for many years to come and typified that trust the league extended to her.

I would like to extend my appreciation to the executive committee who are a very hard working bunch and are often misunderstood, but always willing to contribute at all times.

On behalf of us all I would like to extend our appreciation to the Chairman of the Tribunal - Don Hall, Chairman Secretary - Bob Mathews and the members of the tribunal for the diligence in assisting the League in performing what is considered an enormous task.

To all clubs who were successful in winning premierships and to all individual trophy winners I extend my personal congratulations with special mention to Geoff Cooper on winning two successive Gilbert Chandler medals, a remarkable achievement.

To the V.F.L. and V.M.F.L. we appreciate and thank them for their support of our League.

To the clubs and officials who have supported their League without question I extend my appreciation.

In closing this report, I would like to make this comment. Your League is only as good as you are prepared to make it. The stability and longevity of the League is entirely in your hands. If clubs stick together and support their League then there will be no problems. But if we allow distrust, sow the seeds of innuendo, and aggressiveness then the future is not bright. It is our decision, lets make sure we make the right one.

Members:

- Mr. Gordon H. Parker - President
- Mr. Cliff H. Tomkins - Senior Vice President
- Mr. James Elmer - Vice President
- Mr. Rod Burgess - Vice President

Executive Members:

- Mrs. Lorraine Day
- Mr. Barry Raymer
- Mr. Kevin Collins, JP. - Resigned August 88
- Mr. Steward Hayward
- Mr. Laurie Sloan

The Executive Committee continue to promote and develop the game in accordance with the Club wishes thus ensuring the success of the Eastern Districts Football League.

In our E.D.F.L. the high emphasis the Executive Committee has had on the development of the junior teams has the League well placed and balanced in the area, particularly now that the junior committee has been placed.

Their dedication to the game they love is recognised and the Member Clubs should express their appreciation to the Executive for the countless hours and constant effort for little reward except they are contributing to the game they enjoy immensely.

Sub-committees

Finance

- Mr. Gordon H. Parker - Chairman
- Members: L. Day, C. Tomkins, S. Wayward, B. Holmes

Permit

- Mr. Cliff Tomkins - Chairman
- Members: G. Parker, L. Day, L. Sloan, B. Holmes, B. Raymer, R. Burgess

E.D.F.L. Finals and V.M.F.L. Teams

- Mrs. L. Day - Chair person
- Members: B. Raymer, K. Collins, JP., (Resigned August 88), L. Sloan, B. Holmes, R. Burgess

Under 16 Squad

- Mr. N. Bosch, B. Kerr, M. Gooden, W. Reddaway, D. McBain, B. Day, K. Potter, B. Holmes

On behalf of all affiliates we would like to express our sincere thanks to the above for the countless hours needed to perform the tasks that are necessary for the effectiveness of the various sub-committees. Our further congratulations are extended to the following personnel who officiated as ground managers of the various finals:

- First Division Mr. Laurie Sloan
- Second Division Mr. Barry Raymer
- Third Division Mr. Steward Hayward
- Fourth Division Mr. Rod Burgess, Mr. Laurie Sloan

The investigation and permit committees continues to meet on a Friday evening and this year encountered many problems in relation to appeals by players and investigations being referred to the Executive. The Committee are concerned at the large number of appeals being withdrawn at the last minute and whilst the committee are pleased that a player transfer can be settled amicably between the clubs, to do so at the last minute is unfair in respect to the members.

However not withstanding the above, the committee functioned in accordance with their terms of reference and it was appreciated by all.

The finance committee is a most important function of the League, their responsibility to ensure that members interests are protected is most definite and one in which they are only too well aware. The results since that committee was established should tell the story to all. The many hours of valuable commitment to the League by these members should be applauded.

The Tribunal is pleased to report that the comparison with season 1987 has shown a marked decline in reported players. The reason for this is not evident but possibly players are realising the consequences (as shown elsewhere) of being reported.

This year the Tribunal took a sterner approach to reports relating to offences of a violent nature and we hope this has been noted by Clubs.

We still have problems with delegates adopting an "I didn't know" attitude when questions of Tribunal procedure are brought forward. The full procedure is printed in the E.D.F.L. by-laws book. A copy of which each club should have.

So lets have a quiet 1989.

## EASTERN DISTRICTS FOOTBALL LEAGUE Junior Football Sub-Committee: Season 1988 Report

The JUNIOR FOOTBALL SUB-COMMITTEE evolved from a select committee, appointed in December, 1986, to address the ever increasing list of problems and conflicts affecting the conduct of the game at under-age level. Despite the inevitable set-backs which appear sent to plague any worthwhile effort, it is pleasing to report that the JUNIOR FOOTBALL SUB-COMMITTEE in season 1988 achieved many positive and enduring improvements which would have seemed impossible just two years ago.

Season 1988 began with the tabling of the select committee's controversial Report at the Annual General Meeting of the League in February. Despite the controversy surrounding some of the recommendations contained in the Report, most of the recommendations were finally adopted. Notable amongst these were the fixturing of Under 16 matches on Sundays, and the modification of fixtures to keep all junior teams of a given Club together at the same venue; and the formation of the JUNIOR FOOTBALL SUB-COMMITTEE as a permanent arm of the League's administration.

It is disappointing to record that two of the key recommendations made in the select committee's report were not adopted. After many years of vacillation and procrastination at all levels, the issue of compulsory fielding of Under 18's has still not been tackled in any meaningful way. Consideration of the select committee's recommendation that all 1st division Clubs be required to field Under 18's from season 1988 onwards was deferred at last year's Annual General Meeting, and despite several communications from both the select committee and the JUNIOR FOOTBALL SUB-COMMITTEE, the matter has still not been addressed by the Executive. It is considered vital that this divisive issue receive urgent attention, and be resolved once and for all.

The second recommendation of the select committee which was not adopted at last year's Annual General Meeting was the appointment of a full-time JUNIOR DEVELOPMENT OFFICER. It was recognised that funding assistance was required for the proposed appointment, and considerable effort was devoted by members of the JUNIOR FOOTBALL SUB-COMMITTEE in lobbying potential sponsors. Whilst positive and enthusiastic encouragement was received from the Dept. of Sport & Recreation, the Victorian Health Promotion Foundation, and the Victorian Football League for the merits of the proposed appointment, our approaches to those organisations were set aside in favour of the establishment and funding of the VICTORIAN FOOTBALL DEVELOPMENT FOUNDATION.

Although the failure to secure the appointment of a full-time development officer was disappointing, our quest for funding at that critical time placed the E.D.F.L. in a unique position to influence the fundamental direction of the new VICTORIAN FOOTBALL DEVELOPMENT FOUNDATION. With a total annual budget approaching \$2 million, the V.F.D.F. will be a powerful force in all levels of football throughout the State. It replaces the former Junior Football Council of Victoria, and is the ONLY conduit for major funding assistance to Australian Football from the Victorian Government.

Input provided to the Victorian Football League by the JUNIOR FOOTBALL SUB-COMMITTEE resulted in a fundamental change in policy from central control of all under-age football throughout the State by the V.F.D.F., to a recognition of the importance of a network of strong, viable local Leagues and Clubs to develop a pool of talented players for the emerging National competition. It also resulted in a decision to deploy five full-time METROPOLITAN DEVELOPMENT OFFICERS, fully funded by

the V.F.D.F., into the headquarters of major local Leagues, and to dedicate part of each officer's time to programs directed by the respective Leagues. It is significant that the very first of these appointments will be housed at E.D.F.L. headquarters, and will be available at the direction of the JUNIOR FOOTBALL SUB-COMMITTEE for specific E.D.F.L. projects.

In summary, season 1988 was one of challenges, many highlights, and some disappointments. Prominent amongst the highlights were:

- \* The almost universal enthusiasm for the change of Under 16 games from Saturdays to Sundays;
- \* The evenness of the revised Under 16 and Under 14 competitions;
- \* The winning, for the fourth consecutive year, of the Caltex Cup for metropolitan Under 16 champions;
- \* The instigation of regular meetings of junior Club delegates, and the establishment of formal communication links direct to Club personnel involved in junior grades.

Disappointments included:

- \* The fixturing and grading problems caused by Clubs withdrawing teams after the start of the season, and often after earlier repeated assurances that "all will be well";
- \* The violence and aggravation, often involving adults and officials, which continues to mar an otherwise constructive activity;
- \* The forced abandonment of the Under 12 lightning premiership due to bad weather.

The future holds the potential for many new and exciting achievements in junior competition within the E.D.F.L. The prospect of amalgamation of our junior competitions with those of the Knox Junior Football Association is very real, and will be achieved in short order given good will and a commitment from all involved. Integration of the functions of the new Development Officer with those of the JUNIOR FOOTBALL SUB-COMMITTEE will create opportunities for Clubs to develop new under-age teams, and for others to strengthen existing teams.

It must be recognised, however, that the E.D.F.L. does not and cannot operate in isolation from both the general community and football community around us.

If we are to succeed in fielding more junior teams, then demand for more and better facilities must result. It is a sad indictment of both sporting organisations and the major provider of facilities, Local Government, that closer bonds of communication and mutual respect have not been forged. Without a concerted effort to win the active support of Local Government, already over-worked and second-rate grounds will not continue to satisfy even current demands, let alone provide for growth. Football officials must respond to this challenge, and in so doing must recognise the ever-growing and diversifying demands made on Local Government. For its part, Local Government must recognise the immense social benefit arising from local football activity, and be prepared to set this against the so-called "user pays" principle which threatens the viability of many invaluable community programs if applied unfettered.

My thanks and admiration are extended to all official, players, parents and supporters who have contributed through their participation to the

*E.D.F.L. Team - U16 Team after winning their 4th successive championship.*

success of our under-age competitions in season 1988. Special thanks are extended to the Umpires, who endure the blunt end of many ill-directed criticisms in pursuit of their important role.

I record my thanks to the League Manager, Bruce Holmes, for the valuable assistance and additional time devoted to the affairs of the JUNIOR FOOTBALL SUB-COMMITTEE.

Finally, to the members of the JUNIOR FOOTBALL SUB-COMMITTEE, I extend my deepest appreciation of, and thanks for, a singular devotion to the often daunting tasks taken-on in season 1988. Members of the Committee during season 1988 were:

Bob Tregear	Chris Lobb	Bill Metcalfe
Rod Burgess	Bruce Kerr	Neil Davis
David Stephens	Anthony Giles-Peters	Barry Raymer

It is hoped that the efforts of these men have established a firm base for the success of E.D.F.L. junior football for many years to come.

Bob Tregear  
CHAIRMAN, JUNIOR FOOTBALL SUB-COMMITTEE

# ANNUAL REPORT DIRECTOR OF UMPIRING

The 1988 football season is now well and truly part of League History; having all its own stories, problems and results that differentiate it from all other years.

For everyone in the Umpiring fraternity it will always be tinged with sadness after that day in May when Ken Myles passed away. He was officiating in his 200th game as a Goal Umpire. Ken was a true gentleman and a friend to all; the perennial smile on his face (as captured in that first photograph) will live forever.

In umpiring it is difficult to quantify the effectiveness of a person or board's efforts. We therefore assess ourselves by the quantity and quality of criticism, a sad fact but true. During 1988 we were pleased to have only received minimal criticism about umpiring performances and behaviour. This quantity of criticism was apparently far less than that generated in previous years; based on this premise, Umpires have improved in their decision making and demeanour.

Every individual umpire, goal, boundary or field, is to be congratulated on this improvement, because it is one thing to be instructed what to do, but it is definitely another to go away, practice and then perform on match days.

## GRAND FINAL UMPIRES

Umpiring being the individual sport that it is, we strive for our equivalent of a footballer's premiership and that is to umpire a Grand Final.

During the season umpires were assessed on their relative ability in performances under all conditions, culminating in the best performed being appointed to finals. The finals series was generally incident free, with most exhibitions being above average despite some poor ground conditions.

The Umpires Board congratulates all Umpires who participated on the Grand Final days; every grand final match, despite the grade or division, is to be cherished.

However, to umpire a League's highest grade in the senior division should be everyone's ultimate aim. The following umpires achieved that distinction in 1988.

<u>FIELD</u>	<u>BOUNDARY</u>	<u>GOAL</u>	<u>EMERGENCY</u>
Graeme Vean	Andrew Wheeler	Ron Binsman	Mark Okey
Peter Enright	Andrew Horsnaill	Mark Powell	

## METROPOLITAN CHAMPIONSHIPS

In 1988 the E.D.F.L. will probably be best remembered by most for the year that we won both the Senior and Under 16 V.M.F.L. Premierships.

To add to these accolades the E.D.F.L. should also be proud of three umpires who performed superbly through exhaustive qualifying rounds to represent our league on V.M.F.L. Grand Final day.

Peter Enright	:	Seniors Emergency
Greg Kennedy	:	Seniors Goal
Andrew Langford	:	Under 14 Boundary

In addition to these three umpires, there were another eleven umpires who performed with distinction through the qualifying rounds.

#### UMPIRES APPOINTMENT BOARD

Observation and comment on umpiring exhibitions is the prime tool used in assisting an umpire to improve his/her performance.

The execution of this task, albeit thankless, was by a dedicated group of men who could commence the day at an Under 18 match in Coldstream and finish with the final kick of a senior match at Claytor. When a report on an individual umpire takes up to an hour to prepare and write, some late nights are put in to ensure the umpire receives his/her report on Wednesday night.

I was most appreciative of the assistance and efforts the following men gave to, not only myself, but also the Umpires themselves through their observations and reports.

#### OBSERVERS

Graham Parsons	Gordon Bail
Alec Lindsay	David Myers (whilst injured)
Ron McLeod	

In addition to the observers the following gentlemen performed specialist roles within the Umpires Board.

Frank Tilley: Goal Umpires Advisor; an excellent job co-ordinating and advising his Goal Umpires; developed a united and well performed group.

Bernie Fewster: Junior Development Advisor; holds the key to umpiring development and has nurtured a solid nucleus of good umpires through the junior grades during 1988. A very difficult job which Bernie relished with a refreshing enthusiasm combined with his own extensive experience.

Rod Makin: Assistant Umpiring Advisor; Rod brought to the Umpiring Board a very professional attitude and his communication skills were most evident in his report presentation to umpires and in lectures to the group.

John Eastwood: Secretary to the Board; behind every successful Board there is always an efficient hard working Secretary; John was every bit of that and more. His performance in co-ordinating appointments and correspondence was exemplary.

In my first year as Director of Umpiring I was very pleased to have had all these men working on the Umpires Appointment Board; their commitment to the task was excellent.

#### UMPIRES ASSOCIATION

The Umpires Association was well represented during the year by an efficient executive led by President, Greg Bridgman and Secretary, Noel Maxwell. Communication and interest is what makes the world go round and these men made every effort to represent their member's interests at all delegate and league meetings and then communicate any problems to the Umpire's Board.

Major awards to umpires were:

Golden Whistle Award	:	Steve Harrison (Field)
Most Improved Umpire	:	Matthew Bellizia (Boundary)

#### THE PROBLEMS

During the year Clubs were generally very co-operative and friendly toward our umpires and I would particularly like to thank those Clubs who competed without the luxury of a full complement of Umpires.

The problem of umpire shortage in field, boundary and goal is something that we are constantly working on and with the aid of Clubs we can overcome it. If a Club realises a player may not be up to standard or a player is injured in some manner, I would appreciate if it could be suggested he attempts umpiring.

Abuse of Umpires by coaches, officials and spectators is always a problem, however, the most disconcerting fact was that we had 4 young men give away umpiring as a result of abuse from coaches and officials in the junior grades.

How many coaches gave away coaching because of abuse from Umpires?

I hope clubs give plenty of thought to who they appoint to these positions and don't fall for the trap of appointing any "Could-have-been-champions" who seem to use the position as a means of venting their frustrations on not only the umpires but also their young players.

#### THE FUTURE

- Consistent umpiring performances
- Full complement of umpires in all competitive grades
- Representation in V.M.F.L. Grand Finals
- Even more emphasis on enjoying the sport of umpiring
- Good dry grounds for Season 1989.

The first four items above are the aims of our Board for 1989, and these are within our control; the last one is more wishful thinking than anything else and is as likely as 'Jacko' umpiring a V.F.L. Grand Final.

In my first year as Director of Umpiring I have been very fortunate to have had great support from an experienced Board, making my transition from umpiring to advising relatively easy; for this I am very appreciative and look forward to an even more fulfilling year in 1989.

**GREG SIDEBOTTOM**      **Director of Umpiring**

## EDFLUA REPORT

Once again the Umpires Association executive appreciates the opportunity to participate in the preparation of the League's Annual Report.

The relationship between the E.D.F.L. Executive and the Umpires Association continues to prosper and 1988 marked the beginning of our representatives attending E.D.F.L. Delegates meetings. Now we are better able to understand and appreciate what problems our league Executive and Football clubs address, and how these matters are resolved. Our end of season meeting with the league Executive was successful and it is pleasing to note some suggestions made have already been acted upon.

Our members have been fortunate to have had Greg Sidebottom as our Director of umpiring this year. Greg has had extensive experience with the V.F.L. and has been able to pass on to our Members the latest techniques in umpiring in particular with the two umpire system. We look forward to season 1989 when Greg is sure to lead our members in his usual professional manner.

During 1988 we didn't have a sponsor, but because of the work of Greg Gilbee and our President Greg Bridgman we have secured sponsorship with the State Bank of Victoria for the next three years.

The sad note for the season was the death of our esteemed member and former President Ken Myles. Ken was a great character, a friend to all and a hard working member of our Association. In his memory we introduced a trophy which is awarded to one of our members for services to Umpiring. A fitting tribute to a man who contributed much to our organisation.

It is always pleasing to see umpires from the Eastern Districts succeed at a higher level. Congratulations go to all our members who were selected to umpire V.M.F.L. games and in particular to those who made it through to Grand Finals Greg Kennedy (Senior Goal) Andrew Langford (U/14 Boundary).

We also offer congratulations to the following who have been selected to try out with the V.F.L. in 1989.

Field: Peter Enright and Andrew Miller  
Boundary: Richard Leslie, Andrew Horsnaill, Andrew Wheeler  
Goal: Greg Kennedy and Mark Powell

On behalf of all of our Umpires I would like to thank clubs for their hospitality in 1988 and wish all E.D.F.L. Supporters the best for season 1989.

# VICTORIAN METROPOLITAN FOOTBALL LEAGUE 1988 REPORT

## ESTABLISHMENT OF THE VICTORIAN FOOTBALL DEVELOPMENT FOUNDATION

During season 1983 the number of teams registered with the Victorian Metropolitan Football League peaked at 2,092. In the short space of five years this number has reduced to 1,573 teams - an alarming decline in the participation rate in metropolitan football.

As a result of these disturbing figures, and the apparent inability of the major football controlling bodies within Victoria to collectively and effectively address this problem, an Executive Committee of the Junior Football Council recommended the establishment of the Victorian Football Development Foundation. It was felt that an independent body would be better placed to assess the current situation throughout Victoria and then evolve policies and programs which would be implemented in a co-ordinated and controlled fashion.

VMFL Leagues and associations, along with all other major controlling bodies throughout Victoria, very conscious of the need to present football in a manner which satisfies the needs and expectations of both participant and spectator, have overwhelmingly supported its introduction.

The Foundation officially commenced operation in September, 1988, superceding the Junior Football Council. The Foundation members - appointed by the VFL Commission and approved by the State Government - are: Messrs. Alan Schwab (Chairman), Ed Biggs, John Dillon, Bill McGrath and Graeme Richmond. Mr. Kevin Sheehan has been appointed as General Manager of the Foundation, with Mr. Michael Daniher as his assistant.

The fundamental philosophy of the Foundation is to develop a properly organized pathway to introduce youngsters and their parents to football via an attractive and exciting Vickick program - designed to enhance skill levels in a fun filled environment - prior to progression into club under age and then open age competitions.

Although in its very formative stages the Foundation has already shown that it will be of tremendous assistance to metropolitan leagues and associations. Already the Foundation has approved the appointment of five Field Officers who will work closely with metropolitan football administrators developing football at grass roots level. Where appropriate these Foundation Officers will operate from the full-time administrative offices of VMFL bodies. It is expected that the duties of the Foundation Officers will include the following:-

- \* Conduct the Vickick Association program in conjunction with officials in the Vickick administration structure. This would include the recruitment of schools to the program and arranging the flow-on of players to junior clubs.
- \* Conducting school hours Aussie Footy program at primary schools, including the organization of in-service courses for teachers.
- \* In liaison with metropolitan leagues and associations and clubs, arrange for all primary and secondary schools to be linked with clubs to provide fostership of school programs.
- \* In consultation with VMFL area committees introduce specific

recruiting initiatives at secondary schools to ensure the continued viability of present teams and clubs and the growth of new teams and clubs in developing areas.

- \* Assist VMFL junior clubs in the organization and conduct of training nights and promotional visits.
- \* Arrange and conduct courses of education at Vickick and club level in accordance with the state coaching plan for coaches, administrators, umpires, and sports trainers.
- \* Act as executive officer to VMFL area committees.
- \* In liaison with local VMFL leagues and associations assist in the co-ordination of under age representative programs.
- \* Liaise with VFL promotion officers to ensure maximum benefit is derived from VFL player clinics conducted at local schools.

In addition to these duties the Foundation Officers will also be available to assist the administration of VMFL leagues and associations in other appropriate areas of promotion and development.

The Foundation has also appointed ex Carlton and Fitzroy coach, David Parkin, as the Victorian State Director of Coaching. The benefits of this appointment should quickly flow through to VMFL leagues and associations as extensive coaching course programs become firmly established at all levels of football throughout Victoria.

There is no doubt the establishment of the Foundation is an exciting development in metropolitan football. The VMFL through its member Leagues and Associations looks forward to working closely with the Foundation to ensure that football continues as the major sporting and social recreation in this State.

Quite apart from the establishment of the Foundation there were other positive features of the VMFL throughout the year. The metropolitan championships again proved to be an outstanding success. Conducted at the magnificent facilities of the East Ringwood Sporting Club, a large crowd witnessed a fine display of metropolitan football. Congratulations are extended to the Eastern Districts Football League for its victories in both the VFL sponsored senior grade series - for the first time since 1983 - and the Caltex Under 16 series for the fourth successive year. The performance of the Eastern Districts Football League in the prestigious Caltex competition is outstanding and reflects the importance placed on junior development programs in that area.

Another highlight of the metropolitan season was the participation in the inaugural Under 19 challenge series which was conducted as part of football's contribution to the Bicentennial celebrations. The carnival, which for the first time ever brought together the VMFL, VCFL, VAFA and VFA in a round robin series of matches, was played at the Melbourne Cricket Ground and produced some exciting football throughout the day. The carnival was opened by the Premier, The Honourable Mr. John Cain and VFL Executive Commissioner, Mr. Alan Schwab.

The winner of the carnival, the Victorian Country Football League, was not decided until the final match of the day when the VCFL defeated the VMFL which tired after outstanding performances earlier in the day by defeating both the VFA and VAFA. It is hoped that the carnival continues into the future as it not only provides players throughout Victoria with the opportunity of participating in representative football at an elite level, but it also sees the major controlling bodies of Victorian under age football working together for the betterment of Victorian football.

# CONGRATULATIONS

# BEST & FAIREST AWARDS

Sir Gilbert Chandler  
Kenneth Wright  
Paul Edie  
Perc James

1st Division 1st XVIII Best & Fairest  
2nd Division 1st XVIII Best & Fairest  
3rd Division 1st XVIII Best & Fairest  
4th Division 1st XVIII Best & Fairest

The Sir Gilbert Chandler Medal was struck in 1957 and the Paul Edie and Perc James Medals in 1973. The Kenneth Wright Medal was struck in 1985 as a mark of respect for the gentleman who was President of the League for twenty seven years. All medals are presented annually to the respective winners. These medals perpetuate the memory of four gentlemen who served the League with great distinction.

Following is a list of the respective winners since their inception:

## SIR GILBERT CHANDLER MEDAL 1st DIVISION

NOTES TO AND FORMING PART OF THE ACCOUNTS FOR THE YEAR ENDED 31ST DECEMBER 1988

1. SIGNIFICANT ACCOUNTING POLICIES:

- (A) The Accompanying Financial Statements have been prepared in accordance with conventional historical cost principles and have not been adjusted to record either changes in the general purchasing power of the dollar or changes in the prices of specific assets.
- (B) No provision has been made for income tax because the League is exempt from Income Tax.
- (C) Depreciation of fixed assets other than buildings is calculated on a straight line basis using rates designed to write the assets off over their useful life.

2. INVESTMENTS:

	<u>1988</u>	<u>1987</u>
V.M.F.L. Deposit	100	100
N.A.B. Term Deposit	120,000	130,000
N.A.B. Investment Account	<u>694</u>	<u>315</u>
	<u>\$120,794</u>	<u>\$130,415</u>

3. PROVISION FOR DOUBTFUL DEBTS:

The provision for doubtful debts of \$4,000 remains unaltered from the previous year.

4. ACCUMULATED FUND ACCOUNT:

	<u>1988</u>	<u>1987</u>
Balance Brought Forward	214,785	168,713
Provision for Property Improvement Written Back	-	30,000
PROFIT FOR YEAR	<u>9,570</u>	<u>16,070</u>
BALANCE CARRIED FORWARD	<u>\$224,355</u>	<u>\$214,783</u>

AUDITOR'S REPORT TO THE MEMBERS OF EASTERN DISTRICTS FOOTBALL LEAGUE INCORPORATED

We have audited the accompanying accounts in accordance with Australian Standards.

We report that -

- i. Records relating to receipts from Finals Series have been inspected but have not been subject to complete audit, as the nature and source of receipts preclude those receipts from being satisfactorily verified.
- ii. No provision has been made in the accounts for depreciation on buildings other than freehold improvements which is a departure from Australian Accounting Standards issued by the Institute of Chartered Accountants in Australia and the Australian Society of Accountants. In our opinion, depreciation should be charged in the accounts to absorb the cost of the building over its useful economic life. The League has not calculated the effect of this departure and it is impracticable for us to do so.

Subject to the foregoing notations, in our opinion, the accounts of the Eastern Districts Football League Incorporated are properly drawn up so as to give a true and fair view of the state of affairs of the League as at 31st December 1988 and the results of the League for the twelve months ended on that date so far as they concern members of the League and are in accordance with Australian Accounting Standards and applicable approved accounting standards.
