# 2013 community guide

*Community, Lifestyle, Opportunity*

# Welcome to the 2013 edition of the Maroondah Community Guide

The Community Guide is produced to bring you information and give you access to the wide range of local community and regional resources.

The Guide lists organisations and community groups that operate in our community — local sporting clubs, schools, referral and self-help groups and places of worship. Web addresses have also been included for those community groups who have supplied them.

While the Community Guide aims to include as many Maroondah organisations as possible, it does not seek to be a comprehensive guide.

The list of organisations and services in the Community Guide is also available online. Visit us at [www.maroondah.vic.gov.au](http://www.maroondah.vic.gov.au) to browse through the different categories or search for a particular organisation or service. The online guide also provides additional information such as email addresses, services provided by the organisation and linked web addresses.

If you have a hearing or speech impairment, the National Relay Service (NRS) on 13 36 77 is able to assist you with your call to us.

If you require an interpreter, call the Translating and Interpreting Service (TIS National) on 13 14 50 and ask them to telephone us on your behalf.
