Russ Harris

Penquid Historical Society

Hi Russ,

As promised Womens Weekly article on residence at 2 Heathside Court, North Penquid - Thanks for your input!

Could you give a copy to Strategic Planning at Council of whoever looks after Heritage Reviews etc. - I can supply another copy if required. but you may be able to copy things other ways these days.

Enclosed information for you and a list of Facts & Features which brought back a lot of memories - I can still feel the cold in my hands building the stone retaining wall to driveway. Couldn't do it these days

With very best wishes
