Dear Sirs,

re Ringwood Investments P/L., "Midway" Arcade
Ringwood.

The septic installation at the above address has been causing a little trouble and Mr. O'Connell, the local contractor who handles the monthly maintenance, reports that concerns the recirculating float valve. We would be obliged if you could arrange to have this inspected and rectified as soon as possible. When your man is on the job we would be glad to hear if there is anything else connected with system which needs attention.

Yours faithfully,

C. E. CARTER & SON.
