Mr Carter.

Dear Sir,

Please find enclosed copies of letters sent to Alexanders and W. Barnett of Chesham re the proposed sale of my business.

I desire you to have copies for your file enabling you to understand I gave preference to the shopkeepers of the Arcade before putting my business on the market.

I am buying another business and I consider two months sufficient time allowed without special intentions from Alexanders before offering my business as a going concern.

It is imperative that I finalize this business
here to carry on with my new venture.

Yours Sincerely,

Frederick E. Gibson.

Dear Sir,

Re Hansel & Isabel Childrens treat Shop

It is two months since I offered to sell
my business to Alexanders, per medium of their
Manager of Ringwood.

I was given the understanding that
negotiations between Alexanders and myself were
in progress.

I have not received any official intimation
of their intentions and it is now imperative I place
my business on the market without further delay.

I feel I have been very patient in the matter but as I am going into another business I must have some finality.

I am quite prepared to enter negotiations to the benefit of all concerned at the earliest convenience.

Yours Faithfully,

Lindsey E. Gibson

Dear Mr. Cody,

I enclose copy of letter received from Mr. D.R. James, Solicitor, who has taken over the office of Pascoe and Whitaker at the northern end of the building adjoining the surgery of Peters and Lush. I see no objection to what Mr. James wishes to do but I asked him to submit the request formally in case Mr. Lodge thought that it would conflict with the overall plan.

Yours faithfully,
