Centenary Committee.
24th February, 1989.

Dear Mrs Pullin,

As you already know our Centenary is this year and at present we are trying to contact people who are interested in being part of our celebrations. We would be extremely pleased if you could help us in our endeavour to contact as many former pupils, teachers and members of various committees that have been involved in our school. We know that you are very involved with the Ringwood Historical Society, we would appreciate your assistance in contacting people who would be interested in the Centenary Celebrations of our school.

We are at present formulating plans for our celebrations and would appreciate input from you. Please find enclosed a copy of a letter which has been forwarded to parents of the present students and to some former pupils (blue form) and a copy of the planned activities for both the present and former students (white form).

Our next Centenary meeting is on 21st March at 8.00 p.m. in the Staff Room and we would be pleased if you could attend. If you wish to contact me prior to that date please do so either at school or in the evenings on 232 4228.

Yours sincerely,

Glenys Williamson

RINGWOOD EAST, 3135.

Dear Mrs. Paine,

As no doubt your Group is aware, 1989 is our centenary year.

On the 26th August at 3.00 p.m. our official celebrations will commence with the Mayor of Ringwood unveiling a plaque to commemorate the occasion. We intend this plaque to be affixed to the original foundation stone which will be re-positioned in a prominent location in our new centenary paved path. We expect the cost of this plaque to be between \$80 and \$100.

I am writing to ask your Group to consider donating the plaque, which would be suitably inscribed "Donated by the Ringwood Historical Research Group".

We would be very grateful if you were to assist in this way.

Should you require any further details, please contact me.

Yours sincerely,
