

CHAPTER V.—OF MASTERS AND PROFESSORS.

Professors or Professors

1. The Master or Masters, Professor or Professors, and all other teachers of the School shall be appointed by the Council and may be suspended or dismissed by the Council, or by the Administrative Council.

2. The Master shall attend the School daily during such hours and shall impart to the pupils instruction in such branches of education and science as the Council may from time to time determine, either by statute or written resolution, and until the statutes shall otherwise provide he shall instruct in—

Geometry

ARITHMETIC, ALGEBRA, GEOMETRY, and instruct in Mathematics and Mechanics generally, so far as the better to fit pupils to attend the professor's lectures

MENSURATION, SURVEYING, DRAWING, and so to apply these as to enable the pupils to read plans, to plot from field books, and to take mining surveys both on surface and below ground.

ENGINEERING.—As applied to mining in all its branches.

THE THEORY AND PRACTICE OF MINING.—To include periodical attendance with the pupils at the mine.

Geology

CHEMISTRY, as applied to Metallurgy, so far as to prepare the pupils for the professor's lectures.

3. The Council shall create professorships and appoint professors of such and so many of the various branches of moral and physical science as the Council may determine, provided that the first professorships which shall be established by the School shall be in Chemistry, Metallurgy, Mineralogy, and Geology.

P / C / P

4. The professors shall deliver so many lectures upon such subjects, and on such days and at such hours as shall from time to time be provided by the statutes, and shall also, subject to the statutes act as examiners.

5. Examinations shall be held so often and upon such subjects as shall from time to time be fixed by the statutes of the School.

The Council shall have power to substitute for attendance upon lectures at the School, attendance upon lectures in the University at Melbourne or School of Mines

Place in Chap VII

(VI)

CHAPTER V.—OF PUPILS.

1. All persons desirous of entering as pupils will, unless nominated by a Governor, be required to submit their names to the Administrative Council, when, if eligible, they will be entered on the roll as pupils on paying an entrance fee

2. All pupils shall be required to pay such term fees as shall be fixed by statute for instruction and lectures.

3. All persons nominated by a Governor will be entitled, without the payment of any entrance fee, to be enrolled as pupils on presenting their nomination to the Master or Registrar of the School but will have to pay the same annual or term fees for instruction and lectures as non-nominated pupils.

4. All pupils must on entry sign the pupil's roll, and submit themselves to the discipline of the School as provided by the statutes or otherwise.

CHAPTER VII.—OF CERTIFICATES.

1. Certificates shall be granted by the School for efficiency in such and so many branches of the moral and physical sciences as may from time to time be provided by the Statutes, provided

larly for efficiency in mining engineering, mining surveying, metallurgy, assaying, chemistry, and theoretical and practical mining.

Each Certificate

2. All certificates shall be sealed with the seal of the School, and be signed by the President, and Vice-President, and Registrar of the School; shall be in form as prescribed by statutes, and shall contain the signature of the candidate to whom it shall have been granted.

3. In no case shall certificates be granted without the consent of the Administrative Council.

5. The Council shall charge such reasonable fees for Certificates as shall from time to time be fixed by the Statutes.

4 insert here clause 6 of Chap 5

CHAPTER VII.—OF THE NAME OR TITLE.

The name or title of the School shall be "The School of Mines and Industries and Library and Museum of Ballarat," but in all legal and other documents it may be cited as "The School of Mines, Ballarat."

THE

School of Mines and Industries,

LIBRARY AND MUSEUM,

OF BALLARAT.

Statutes.

CHAPTER I.—OF THE COUNCILS.

1. The Council shall meet at the hour of eight o'clock p.m., on the second Thursday of the months of December, March, June, and September of each year, for the despatch of business, and shall have power to adjourn to any intermediate period. Provided that if the second Thursday shall be a public holiday the Council shall meet on the third Thursday.

2. The Administrative Council shall meet on the first Thursday of each month, at the hour of eight o'clock p.m., and shall have power to adjourn for any intermediate period. Provided that if the first Thursday shall be a public holiday the Administrative Council shall meet on the second Thursday.

3. All proceedings of the Council and of the Administrative Council shall be entered in a journal.

4. The minutes of the preceding meeting shall be read at each meeting of the Council or Administrative Council, and confirmed or amended thereat, and the presiding chairman shall sign them as confirmed or amended.

5. The President or Vice-President shall have power to call a special meeting of the Council or Administrative Council for the consideration of business which either may wish to submit to the Council or Administrative Council as the case may be.

6. The President or Vice-President, or, in their absence, the Registrar, shall convene a meeting of the Council or Administrative Council upon receiving a written requisition of four members of Council setting forth the objects for which the meeting is required to be convened, and the meeting shall be called within seven days after the receipt of the requisition.
