Resolved that Mr Leslie ascertain cost of erecting a wheel hoard with table of for the fronting Lydeard Street

The meeting then adjourned to Thursday the 18th to receive reports of conference with Examiners

R.W. Newman
Chairman
Apr 12/72

School of Mines
Monthly Meeting of Administrative Council
May 9th 1872

Present R.W. Newman Chairman Mr Basil Wood and Funds.

Read and confirmed minutes of previous meeting

Read and received letter from The Hon^{ble} Major Duffy consenting to become an Honorary Governor of the School.

Read and received letters from Sandhurst Mechanics Institute and from the Secretary for Mines.

The Chairman reported that the meeting adjourned to the 18th April was not held in consequence of the business with the Examiners not being sufficiently advanced.

Presentations were reported of specimens for the Museum from Captain Nicholas Kent and of specimens of Tin ore from Mr Arthur Bayle

Resolved that they be acknowledged with thanks

Moved by H. Wood and seconded by H.R. Leslie and carried unanimously that arrangements be made with the Bank for accommodation to the extent of one hundred pounds pending the receipt of the Government Grant

Mr Leslie and Mr Wood reported that the sub^{re} for Examinations were nearly complete
