

That Sir Edmund Barry desires to know the names
of the principal Messrs. Commissioners that he
may write to them for donations
That it was suggested that Mr. Stenfield's
visit to Europe be taken advantage of in the
interest of the School -

Moved by H. R. Caselli seconded by D. Leslie
and carried

That His Honor Sir Edmund Barry
as President of the School be requested
to urge upon the Government that the
cottage now occupied by the Court Keeper
& which is included in the lease to
the School should be without further delay
given up to the School inasmuch as without
it the School is much inconvenienced
and the safety of the collections in the
Museum which is gradually increasing
is value imperilled for the want of a
residence for the Porter of the School
The Cottage occupied by the Court Keeper
although of great value to the School is
useless as a place of residence for the
custodian of the Court House as the
latter building is altogether distant and
out of sight from the cottage -
