Confirmed

Term Fees

There were arrears amounting to between £20. and £30 including one of 3<sup>gr</sup> collected by the Master. The Registrar suggested

Resolutions That the Pupils be required to pay the prescribed Fees prior to commencing their Studies and

That Term Fees be payable

For the whole Term

during first month of Term

For 2/3<sup>rd</sup> of Term

during second month of Term

For 1/3<sup>rd</sup> of Term

during third month of Term

Moved by Mr. Wheelton

seconded by Dr. Usher

Carried.

Moved by Mr. Wheelton

seconded by Dr. Usher

That This Council considers it highly improper that in any case in which the Master receives a fee that it should not be handed over at once to the proper Officer

Carried

Dates of Examinations, having been fixed by the Council, the requisite notices had been duly advertised in the Star & Courier

Confirmed

New Regulations

Nomination Papers

Instructions to Candidates

250 Copies of each form had been ordered to be printed

Confirmed

Regulations, some ambiguity existing, and the understanding arrived at by the Council not being clear, further instructions requested.

It was resolved That assuming be added to the list of Subjects in which Mining Engineers are required to pass, some verbal amendments were also made in Copy.
