

Circulars

June 16 to Shire & Borough Councils

The Town Council of Southdale only has responded with a subscription amounting to £1.1.0 annually.

June 24 re Treatment of Deprives

The responses to this are published in the Advertising Columns of the Courier of this day.

A good wood-cut of the Metallurgical Laboratory appears in this month's Australian News - and Mr. Bairdwell has promised to photograph the School and grounds without charge.

It is suggested that the Standing Advertisement be inserted in Bradshaw's Guide at a cost of £6 per ann. and that copies of the Advertisement with Calendar for Term be printed for distribution.

Special Meeting of Council

The Vice-President desires a meeting to be called for the 23rd Instant

Moved by J.F. Usher M.D.

Seconded by R. M. Sergeant & carried

That a Pamphlet be published containing all the information to date relative to The School of Mines; and that the Advertisement be not inserted in Bradshaw's Guide.

The Registrar reported that he with the Superintendent had been in communication with a gentleman who promised to consider whether or not he would be able to spare time to take charge of a Class in Mineralogy

This Council adjourned at 5.30 P.M.

W. W. ...
The President
