

Deputation to Minister of Mines

A full report of the interview appears in the "Argus" and other daily Papers of the 10th October by which it w^o seem that a probability exists of considerable aid being afforded by the Government.

Text Book Mechanic: Engineering Class

On the recommendation of Lecturer Proell a supply of Nosler's Theoretical & Applied Mechanics had been obtained for the use of Students

Pamphlet

The Registrar had been promised last Revised by Mr Robertson, in the course of a few days: it had been found necessary at the last moment to have two of the Illustrations specially lithographed as Mr Poore had expressed his opinion against the practicability of Photo-lithographing from the Photo taken by Mr A. V. Smith of The School, and from the colored Sketch of New Chemical Laboratory furnished by Mr Caselli - the extra cost w^o be 50p

Visit of Mr Skinfeld on the 11th Oct. 1873

This gentleman had expressed himself very much gratified at the progress which had been made, and at once became a Governor.

Retirement of Mr Councilor Wood

The Registrar desired to record his deep sense of the obligation under which this gentleman had laid him by his judicious advice, and assistance both willingly & frequently afforded.

It was resolved

That Colke be ordered from Melbourne

on account of the saving thereby effected.

Moved by H. P. Caselli Esq.

Seconded by J. F. Usher M.D. and carried

That the Vice-President, with Mr J. M. Bickell and the Treasurer and Secretary be a Committee to draw up suitable Testimonial to Mr. Hamie Wood

(see Minutes of Council of this date)

On firmes 20. 11. 73

J. M. Bickell

Chairman pro tem
