J. Warington Rogers
Vice President
Feb. 5th 1874

The School of Mines
Meeting of the Council held Thursday Evening
Jan 15th 1874 at 8.10 P.M.

Present R. M. Sergeant in the Chair
Chairman of Mining Board - Chauncy - Davey -
Hudson - McDowall - Usher
The Minutes of previous meetings were read and confirmed

The Registrar on behalf of the Bd. of Examiners presented Report of the Examiners which recommended that Certificates be granted to
34 B. Addis John as 2nd Class Surveyor? Man? Allow.
34 C. Bonell, Frank 1st in Capt of Staff do
34 D. Conrad, Henry Ferdinand 1st in do Party
Moved by R. T. Hudson M.D.

Seconded by Chairman of Mining Board. Pass.

That the recommendations of the Examiners be complied with by the issue under seal of the Certificates suggested Carried.

Mr. Examiner Rowles had drawn attention to the different meanings attaching to the word "dip" and had expressed his opinion that it should be taken to mean the deviation or inclination from the horizontal line only, and not the deviation or inclination from the vertical line. The word "Strike" might hence be synonymous but certainly not the word "underlay."

No action was taken hereon

It was decided to continue the Standing Advertisement in Local Papers
