Resolved:

That the A/cs amounting to £ 40. 7. 4 be
passed for payment

That letters of thanks be written to
Mr. H. Townsend MacDermott M.P. for his action
in Parliament re Increase of Vote for
'School of Mines'
Prof. Hiversidge F.R.S. for his action in obtaining
recognition of the School's Certificates to Engin-
eers. vide letter.

The Registrar's report:

That he had as directed proceeded to Melbourne
re Collector's matter, but had as yet failed in
obtaining any money: and drew particular attention
to Mr. Kendall's letter.

That Inspector Thomas had passed his
Examination with Credit in Sydney &c.

The School of Mines self-acting Pipes Furnace

Messrs. Lupton and Flude verbally made an
offer to make off over their Patent to the Trustees
of the School, without consideration or conditions
of any kind.
