

had recommended the non-issue of
Certificates to the Candidates examined
by him. and that the Examiners
in Mathematics had recommended
that Certificates be issued to
E.W. Gribble for the subjects of Euclid
Algebra and Logarithms and to
P.A. Booth in Euclid Algebra and
Logarithms, these Candidates have
passed satisfactory examinations in
the subjects. the letter to be accounted
as having passed 'with credit' in the
subjects of Euclid and Algebra

Moved by W.H. Darnand

Seconded by Mr Watson and carried

That Certificates as recommended
be granted to Candidates E.W. Gribble and
P.A. Booth accordingly.

Moved by D. Usher

Seconded by Mr Wilson and carried

That a letter be written to S.H. Hammon
referring to his many and substantial
acts of kindness as one of the Masters of the
School and asking him to re-consider
his determination to resign his Mastership.

Moved by Mr Watson

Seconded by Mr Wilson and carried

That the Registrar take the necessary
steps to convene a meeting in Jan^y 1877
for the election of members of Council.

On an intimation that Messrs.
Seymour & Flude had presented to the Council

their Patent Rights in "The Hakarab
School of Mines Self-acting Pyrites Furnace".
(No. 2031) The Council decided that the gift
be accepted and acknowledged with thanks.

Confirmed

Wm. C. Hoyle

Vice President

February 15th 1877
