The Registrar problem reported  
Printing Ann. Report 1876 & That Journals had been visited  
 from several of the Printers in Ballarat, and  
 the offer of Proprietor of the Star was the lowest.  
 The work was therefore given to them: it is  
 now nearly ready for issue. The Paper  
 "A few words &" had been approved by the Vice-President  
 and several members of Council.

Pyrites Works That Cheques had been promised by  
 or received from Messrs: McDonald, O. Edwards  
 J. Flude, A. Hoelscher, W. St. Barnard, J. Campbell,  
 E. Moray, L. Shuske, R. Hurling and the  
 Hope claim Running Creek News Co for £25  
 thus making up £250 towards the £1000 required  
 to complete the Works: all the Cheques had  
 been given in on the conditions mentioned in  
 p. 35 of the Pamphlet.

Mechanical Engineering That the Class in this Subject  
 had been in abeyance for 3 Terms, and it  
 now appeared that unless a suitable stipend  
 could be promised to the Lecturer a proper
