Annual Report for 1876

As nearly the whole of the 2500 copies printed have been distributed, it is suggested that an additional 1000 be struck off at a cost of £11

Prints Works

Cheques for £25 received under printed conditions from W. Bailey Esq in addition to those already reported.

Thermopile

made for the school by Elliot Bros London has been received, but requires to be sent to Melbourne to have shade made & adjustment effected.
