

The School of Mines Ballarat
Hamilton Committee
Present all the Members

The testimonial, as under, suggested by
Mr. Lunsley, was presented in the Laboratories
by Messrs. Flude & Barnard on 1 May 1878.

"Mr. Matthew Douglas Hamilton, C. & A. S. M. S.
"has been in the employ of the Council of
"The School of Mines Ballarat from
"4th May 1871 to 30th April 1878 as
"Assistant in the Laboratories residing on
"and taking general charge of the Premises.
"he now leaves in consequence of the
"climate of Victoria being unsuitable to
"his wife's health.

"For valuable services rendered by him
"to the School Mr Hamilton was on 11 April 1878
"unanimously elected an Honorary Life
"Governor of the Institution.

"The Council further appointed the undersigned
"a Committee to testify to these facts and to
"express regret at losing so zealous efficient
"and faithful an Officer.
