It was resolved:-

That a letter be written to Mr Tho. Staudak Mr. Corresp. thanking him for his kind offer re English Agency, and that steps be taken to obtain through him the several things ordered but not as yet received.

That if satisfactory arrangements can be made so that Mr Davis will not interfere with the Collectors in Balaarat & Melbourne authority be given to Mr Davis to collect for the school.

That W. Burbridge receive £52 p. ann. for his services as 2<sup>nd</sup> Assistant to the Laboratories.

A conversation which closed the sitting had reference to the Juvenile Industrial Exhibition, a hope was expressed that the Exhibits of Mechanical Industry sh<sup>d</sup>. not be distributed unless efforts made to retain them on exhibition proved unavailing.
