Telegraph Committee's Report

This was read and adopted
The Vice-President signing same

D^r. Usher desired that the letter received from Mr. C. A. F. Murray be again read. This having been done, he moved that the same be considered unsatisfactory: after some discussion hereon it was determined to postpone further consideration until next meeting.

The Accounts not having been examined by the Finance Committee, were not passed.

Petitions from Students, W. H. Nichols, Thomas Gray, Fred J. Martell, Hugh Young, A. J. Perkins, & M. Lingley, re attending at the Chemical Laboratory. The Petition was also signed by A. A. Peuley, student in 1878.

It referred to certain facts and suggested that "a re-arrangement of hours may be made as shall consult the public interest as represented by the petitioners"

It was resolved to postpone consideration of this Petition until next meeting.
