Andrew Berry Esq<sup>r</sup>  
Sir!

I beg to enquire the charge  
for assaying a sample of Popites  
for Gold -

also if you are in a position  
to treat same in large quantities,  
say 5 Tons or more -

If so I would most likely  
send a parcel of 5 Tons  
but before doing so I would  
send a sample for assay -

Kindly send me an answer  
and oblige

Yours respectfully

T. W. Schuchert
