	£ 125. 14. 11

It was resolved:

1 That Mr Wall M.A. C.E. be written to and informed that the Examiners have been hitherto 'honorary' officers of The School.

2 That the Registrar endeavor to see Messrs. Sharpe & Thomas with a view to the latter being appointed a lecturer in Mining & Land Surveying.

3 That Major Couchman's letter be acknowledged and in reply the writer be informed that the hearty co-operation of The School shall be given to any scheme which the Mayor and Citizens may initiate in the matter of the International Exhibition.

4 That a second microscope similar to the one already made for the laboratories

R. Keenan and
a. Hoelscher

a. Hoelscher
R. Keenan

a. Hoelscher
R. Keenan

be ordered for the use of the lecturer in Materia Medica.

5 That the accounts amounting to £ 125. 14. 11 be paid

6 That leave of absence for one month be granted to the Registrar from about the end of the present month.
