 of Areas and Volumes

Proposed Medical Section of the School of Mines
 It was decided that the Registrar write
 to the London School of Mines on this
 subject regarding with regard to the
 holding of single Examinations.

General

Membership Finance

Mr. Guller mentioned the recent
 appointment of such a Finance Committee
 and suggested that an estimate
 of the income and expenditure be submitted to
 the Administrative Council at their next
 meeting.

Standing Finance

Moved by Mr. Guller
 seconded by Mr. Guller and carried
 That Mr. Guller be elected
 a member of the Council in the room of Mr
 Guller's resignation of office.

Honorary Correspondent

Moved by Mr. Barnard

Seconded by the Vice-President & carried

That D. J. Williams Esq. M.D., M.R.C.S.
 of Queenscliff be an Honorary Correspondent
 of The School of Mines

Dr. Usher mentioned that Mr Henry
 Berriman Cuss a member of the South
 Midland Institute of Mining Civil and
 Mechanical Engineers, Wolverhampton, England
 had offered to deliver a Lecture at The School

The matter was remitted to the Vice-
 President and Registrar, to see if and what
 arrangements could be made to meet the
 wishes of Mr. Cuss.
