It was Resolved:—

That the Application of Lecturers Messrs Victor and Thomas for ittings in new Class Room be acceded to, and that the unlimited call for Tendon for supply.

Scholarships

That the Council be recommended to adopt the suggestion of Mr. Lecturer Jones and that Funds for the purpose of founding Scholarships in the several branches of the School be solicited from the Public

That a 'paper' be written on the subject and published with the Report for 1879 now ready for publication.

Lectureships in Materia Medica &c

That the Council be advised to add Physiology to the Curriculum and that the Lecturer in Materia Medica undertake same.

That the Council be advised not to appoint a lecturer in French and German at the present time.

Mr. Rev. Anthony Proctor F.R.S.

That this Council whilst thanking his Lordship the Bishop of Ballaarat for suggesting that his eminent Astronomer be invited to deliver a lecture under the auspices of the School do not consider it advisable to incur any responsibility in arranging for such a lecture.
