

The Registrar reports  
Medal - Sydney International Exhibition

That the Commissioners of the Sydney  
I. Ex. have very courteously consented that the  
six Medals for Public Institutions, Victoria, to  
be given to the School. Mr. Hon. J. J. Casey <sup>Minister</sup>  
has stated that the Medal has been handed  
to the Hon. the Minister of Public Instruction  
for presentation to the School.

Mr Lecturer Flude

That this gentleman had happily  
been restored to comparative health and  
had resumed duty.

Additions & Improvements

That the new Class Rooms (Telegraphy &  
Mechanics, Engineering) had been completed &  
was now occupied by students - The new  
Store Room and Office for Superintendent of Labor  
were also available. The Hall had been  
cleaned & painted, and would soon be furnished  
with models specimens &

Pat. Plumbago Crucible Co's Specimens

These had been received; application had  
been unsuccessfully made to the Commissioners  
Vic. Intern<sup>t</sup> Exhibition for space.

Collections of Mineral Specimens

Collections of Specimens had been carefully  
prepared by Mr. Lecturer Francis Avatin of  
the Museum for presentation to Trinity  
College Club. and Comm<sup>r</sup> Giordano (Sept 9<sup>th</sup>)  
of Milan for the N. of Italy. The Collections  
had been despatched from the School

Portable Engine

Messrs. Aslett & Sons had generously  
placed an engine at the service of the School  
for the time the same was required  
Lowers for testing apparatus - postponed  
Deeny & Roberts Machine

Enquiries as to the amount expended  
hereon, cost of Engine, and value of machines  
if deemed advisable, might be made with a  
view to placing the matter of ownership on  
a satisfactory footing.

Moved by Mr. Bickett

Seconded by Mr. Poelscher and carried

That the Accounts amounting to \$72.9.6  
be passed for payment

That the Registrar convene a meeting  
of the Examiners and Lecturers to consider and  
advise on Mr. Casella's Plan for Lower and that  
if recommended the Plan be submitted at  
next meeting of the Council for adoption

Death of the Hon. Sir Redmond Barry K. C. B. one of  
the Masters of the School

This matter was mentioned by some of  
the members, but it was thought proper to  
defer action until the next meeting of the Council  
early next month

Application by Mr. Alfred G. Lock.

It was resolved that Mr. Flude be
