The Registrar reported:-

Medal - Sydney International Exhibition
That he had received from the Hon. the Minister of Public Instruction the Medal presented by the Commission to The School of Mines.

Publications of H.M. Commissioners of Patents
That a further instalment of Journals Abridgements and Indexes had been received of favor of Mr Randall, Hon. Corresp. London Request by the late Jacob Upfold. Examiner

That Messrs Hardy & Madden had forwarded extract from will, by which it appeared that the late Mr Upfold had bequeathed to The School, his Steam Engine Indicator and belongings: it was also intimated that the Executors were prepared to hand the same over at once.

Grant-in-Aid
That it was necessary to obtain at least a portion of the Grant for the year 1880-1 in order to continue the services of the Lecturers.

Museum
That the Curator - Mr Krause - had made much progress in putting the museum in order, re-classing many of the old, and arranging a great number of new Exhibits

Patent Plumbago Tricible Co Exhibit
That this Exhibit had been placed in position on a stand which had been specially prepared for it

Philosophical Apparatus
That Mr. Lecturer Flude had purchased a quantity of useful apparatus which he offered to the School on being recouped his outlay viz £20
