£ 640. 5. 9

The accounts amounting to £ 640. 5. 9 certified by Finance Committee were passed for payment on the motion of Mr Rosenblum seconded by Mr Jones

Two letters were read referring to the recognition ^{by the Government} of Engine-drivers' Certificates issued by The School. The Vice-President was requested to consult the members of Parliament for the district with a view to having the Certificates recognized if possible

The Lecturers monthly reports were laid on the table. - On the motion of His Lordship the Bishop seconded by Mr Rosenblum it was resolved that the

books mentioned by Professor Smith as being required for his department, estimated cost about £ 5, be obtained. - The whole of the reports were adopted.

It was resolved to recommend the Council to grant The Schools' Certificate of proficiency in Physiology to Mr J. B. Donaldson, he having passed the Examinations of the Education Department in that subject and received his instruction at The School.

Councillors Martell and Nicholls were appointed visiting Committee for the ensuing month
