John F. Peart 90 "

Referring to the remarks of the Board with regard to the instruction of students in Mechanical Engineering it was resolved that the lecturer be requested to include the more advanced branches of applied mechanics in the course of instruction to this class

The Auditor's Report with Statement of Receipts and Expenditure for the year ended 31st December 1886 were submitted. - It was resolved that an amended Balance-Sheet be prepared showing the sums to credit of Buildings Fund (£344.19.6) and Endowment Fund (£539.1.3) as Trust moneys and not appropriable to purposes of the General School account. -

The Hon. Treasurer submitted his Financial Statement including an Estimate of Receipts and Expenditure for the current year as follows: -

Estimated Receipts - Gov^t Grant (ordinary) £2000, Public Subscriptions £200, Fees £75.0, Sundries £40, Total £2990; Expenditure - Departmental requirements (including Interest £108, and Insurance £23.5.9.) £616.9.1 and Miscellaneous £314.10.0 making a total of £3130.19.1. -

including Salaries

The Rev. E. Wilfred Robinson of Bruny Bay Tasmania was appointed an Honorary Correspondent of The School

It was resolved that a Financial Statement should be prepared by the Hon. Treasurer and that a deputation from The School should wait upon the Government with a request for an increased subsidy

4 April 1887
