and received

An offer to purchase the crude arsenic collected from
the pyrites works at 10/- per ton submitted by Mr
J. Dillerton was accepted - purchaser to supply Curtis

A memorandum from Professor Smith referring to
the discontinuance of classes for State School pupils
was considered. - It was resolved that the lectures
be resumed after the term vacation.

Vice-President Martell reported having made inquiries
with a view to students obtaining employment in order
to qualify them with a knowledge of practical mining
and explained the arrangements proposed to the
managers of the Lamberis mine. - On the motion of
Dr Vale seconded by Dr Middleton it was resolved that
the matter be left in the hands of Vice-president
Martell and Dr Williams to confer with the students
and report to next meeting of the Council.
